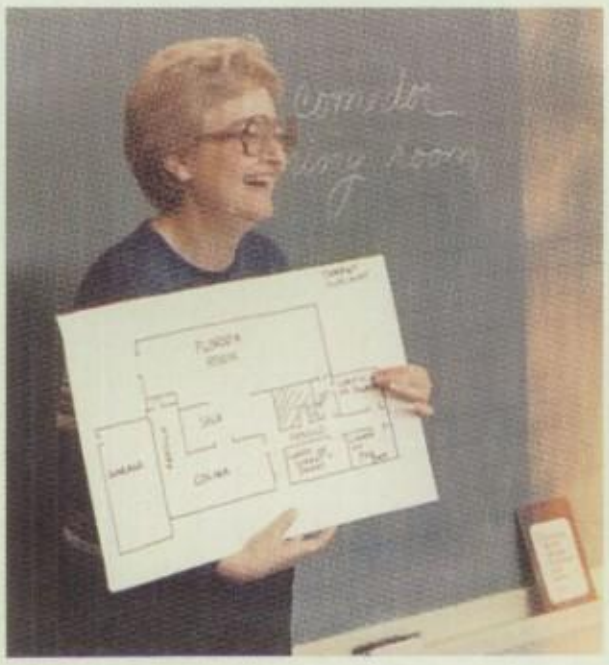
A DEDICATION TO CAROL



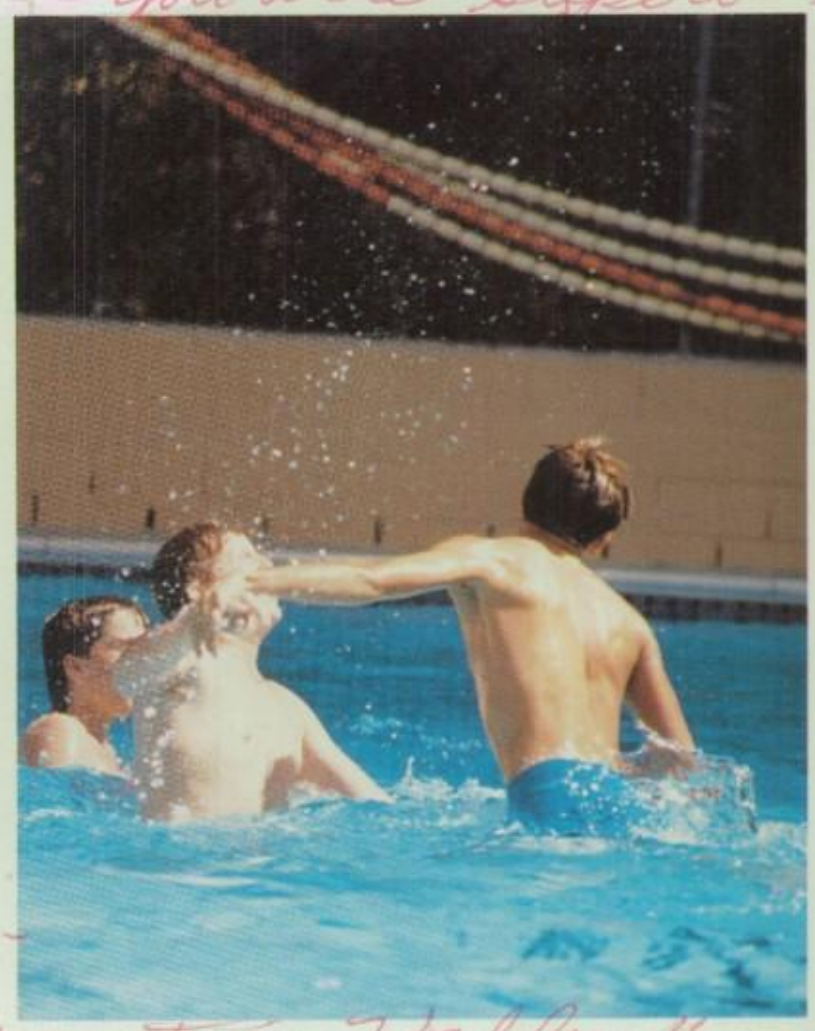
LOYAL

For the tenth year anniversary the Ablaze yearbook staff have dedicated the 1985-86 yearbook to one who has been in existence and devoted to our school for all ten years. As a wife, mother, and teacher, Mrs. Carol Ramirez, has sacrificed many long and hard years. She has been there when needed and has shown through her actions, her loyalty to our school. She has also been an inspiration to us and shown committment to her work. Thank you Mrs. Ramirez for being the best Spanish teacher S.C.C. has ever had. We appreciate and love you. You are very special to all of us.

10 YEARS OF WORK, LOVE, AND DEDICATION

"FALLING IN LOVE"

Summer is over and school has begun. S.C.C. isn't starting out like other schools. The 350 students for the 1985-86 school year are starting their year in the mountains. This was a time set aside for getting to know new people and to rekindle old friendships. It also was a time to draw closer to the Lord through prayer and worship. Finally it brought a feeling of togetherness to the student body. The chapel services, skits, and presentations brought forward by the Bible department were a blessing. No one can forget the message portrayed by "BUZZ AND MUFFY". This years camp theme was based on togetherness and unity. Keeping this in mind as we came down from the mountain, the 1985-86 school year was great -"TOGETHER AS ONE".



1 What a cute couple, don't you think?
2 Stop peeking Jannell!
3 Now I know I'm rad.
4 Kiss me Fernando!
5 OUCH! get your hand out of my face.

1 Take the picture its cold!
2 Cris and Mitzy-welcome you to camp.
3 A "Sweet" reception.
4 Pastor Barnett and Pastor Pat lead a memorable evening.
5 Nooo, just right!

LEADING OUR WAY

This years seniors are a special group. They are closely knit and have a real love for others. They share their ideas, comments, feelings and needs with eachother. They are determined to make the senior class happy and satisfied with the year. Pastor Bob Barnett has been a great influence on the senior officers. He is a godly man and helps to keep the officers minds on Jesus. He encourages and prays for each class officer, being there whenever they need someone to talk to.

EGGMANIA IN ACTION

The 1985-86 school year started out as one of the best years in the history of our school. The "AWESOME CLASS of 86" made it especially unique for us because of their unity. We were six long weeks into the year when the EggMania *began.* Pastor Barnett *drew a spouse for each student at random, while each student hoped they would not receive* Matt Eagleton *as a partner. Each egg was then stamped as a boy or a girl. There were few couples blessed as lucky parents of twins (Ha-Ha) such as:* Brian *and* Renee Lambie. *The only single parent with twins was the fortunate* Tracey Carter. *The marriage and partnership lasted a sum of eleven tortuous days. Each egg was named, clothed, and constantly looked after. If neither parent could look after their child they had to find an eggsitter. After it was all over it was really hard to separate from their eggs because of their worrying and hardships they went through and the responsibility they had to show. Now they know only part of what it will be like to have a child of their own.*

Summertime for the Varsity Cheerleaders wasn't all fun in the sun. Their dedication and determination proved to be rewarding as they took the Superior Trophey at U. S. A. camp. Their love for the Lord and each other is the main reason for their success. The girls would like to thank their captain Shelley Gauntt for being so helpful, patient, and encouraging. She really means a lot to them. They'd also like to thank Chris Williams for pushing them to be the best they could be and for pouring so much of herself into them. They'd like to tell their "Lil Sis'" that they love them a lot J.V. you guys are Awesome.

What a great year it has been for all the cheerleaders-making new friends and memories that will last a lifetime.

J.V. CHEER

The J.V. cheerleading squad of 1985-86 were a united group of girls who love the Lord and each other. During the summer, the J.V. squad put forth their efforts into preparing for their performance cheer at U. S. A. camp.

The talented squad walked away with all Superior Ribbons *and a* Superior Trophy. *Then they combined their strength with their "Big Sisters" on Varsity squad to receive the coveted* Spirit Stick.

The J.V. cheerleaders would like to thank their coach and advisor, Chris Williams *for her love, support, encouragement, and God given wisdom throughout the year. They would also like to show their admiration in thanking Captain:* Amy Rees, *who has been so patient, understanding, and compassionate. She has the true qualities of love described in 1 Cor. 13.*

SPIRITLEADERS

The Spiritleaders started off this great year at U.S.A. camp. Consisting of almost all new girls, the squad had a trying summer, and camp was one test they passed. It was there that the bond of unity began to grow. They received a Superior Trophey *for their routine, a spirit award, and most important of all, the* Friendship Boot, *which is voted on by all the schools. This year was really different and special from others because it was the first time the Cheerleaders and Spiritleaders have been under the same advisor. They have become very close to each other and to God. Their advisor,* Chris Williams, *is not only a great inspiration, but a spiritual example, and most of all, a friend. The Spiritleaders also know that their success comes from putting Christ first in their lives.*

We appreciate* Chris *not only for her leadership but for her Godly example. She is never too busy to listen to a problem and help you take it to the Lord. "Mom", You Are Loved.*

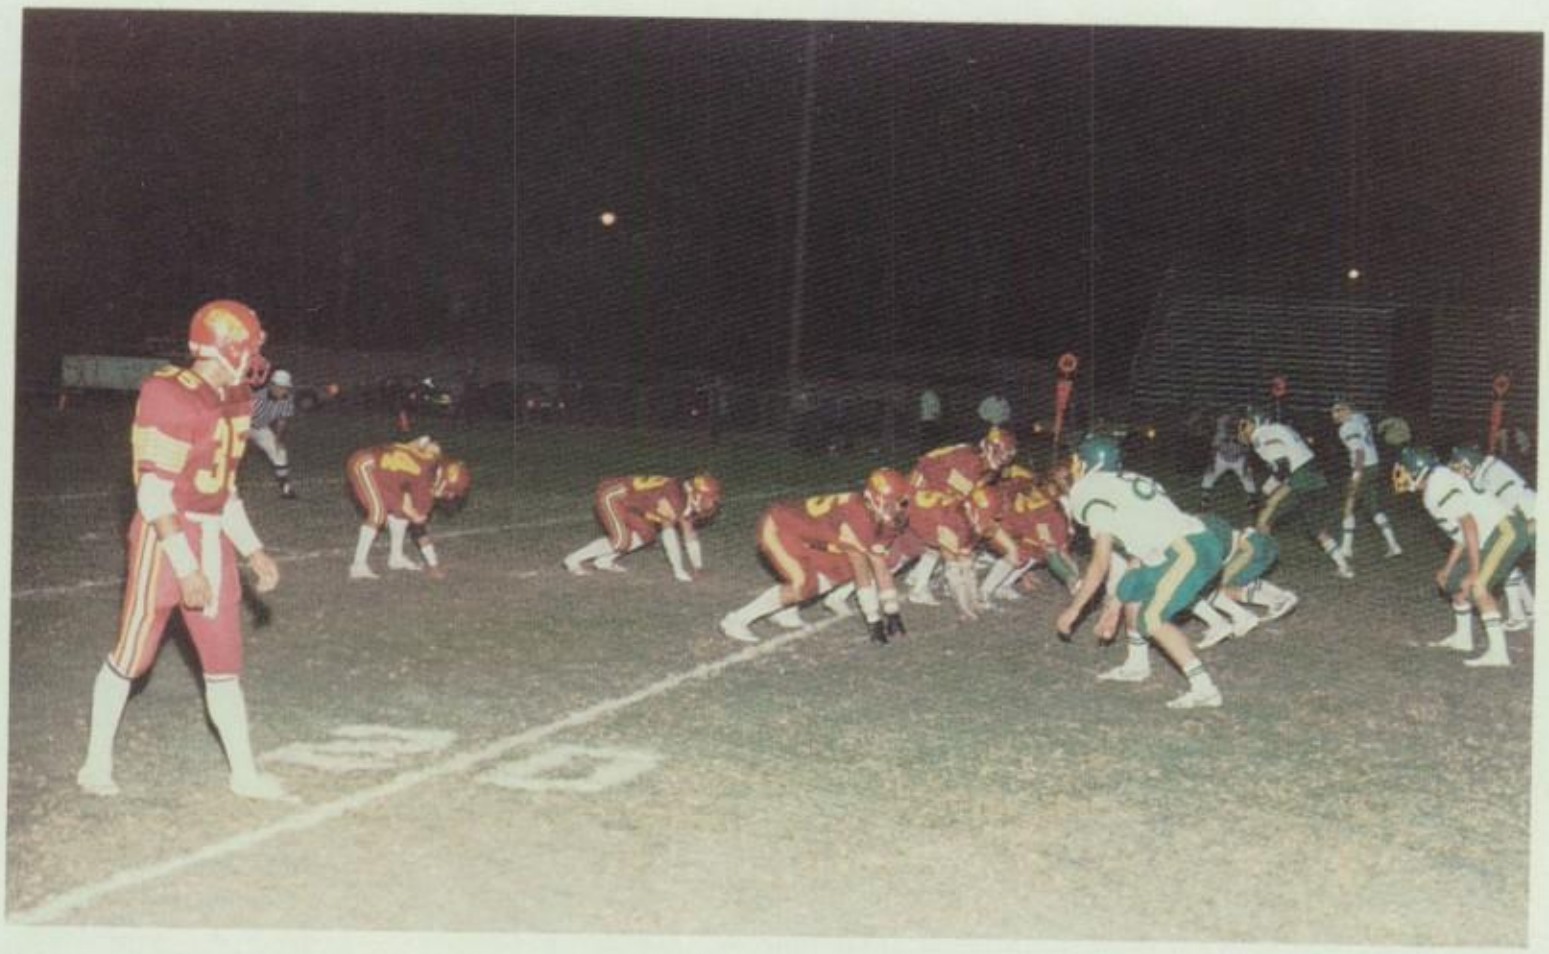
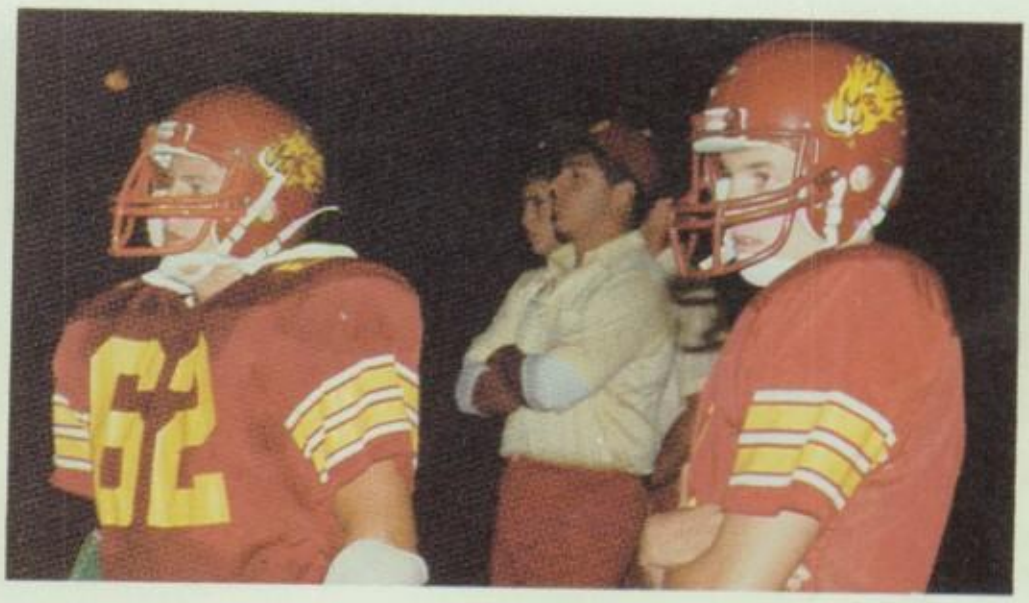
OUR OWN VICTORY . . .

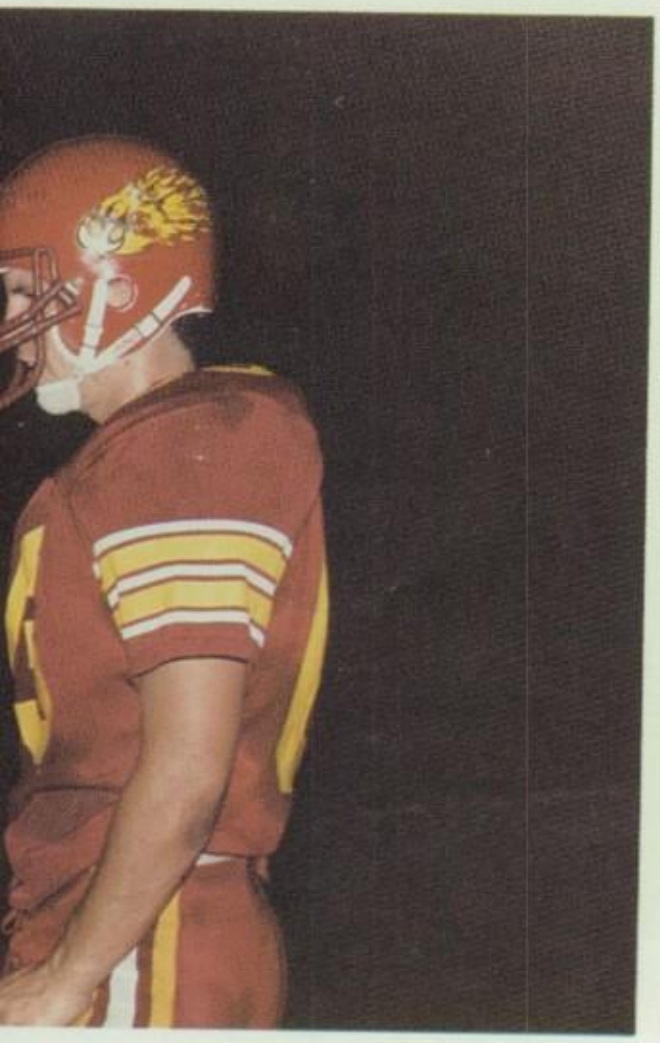
Southern California Christian High School's first homecoming football game was filled with hard-hitting action during four quarters of tough, traditional "Flame" football. Never before had the "Flames" been so determined to conquer their opponent. On this night S.C.C. played tough Ontario. With thirteen seniors making the nucleus of a solid unified team, the '85 homecoming was destined to be a great one. A great one it was! From the first play of the game to the final whistle, our mighty "Flames" gave it their all in a team effort, "Together As One".

Even though Ontario held S.C.C. scoreless the first quarter, the "Flames" were determined to score. Early in the second quarter Rick Fucchi *changed the game by breaking loose on an off-tackle belly give, for a 60 yard touchdown. With the score now 7-6 the "Flames" were definitely in the heat of the battle. Ontario scored another touchdown and a two point conversion before halftime to make the score 15-6. Going into the locker room,* Coach DeWoody *and his excellent coaching staff had their work cut out for them.* Coach DeWoody *stated at halftime, "Gentlemen, right now you are beating yourselves, mistakes don't win ball games."*

While the "Flames" were being pumped up by the S.C.C. coaching staff in the locker room, halftime ceremonies for the first S.C.C. Homecoming were taking place out on the grid iron.





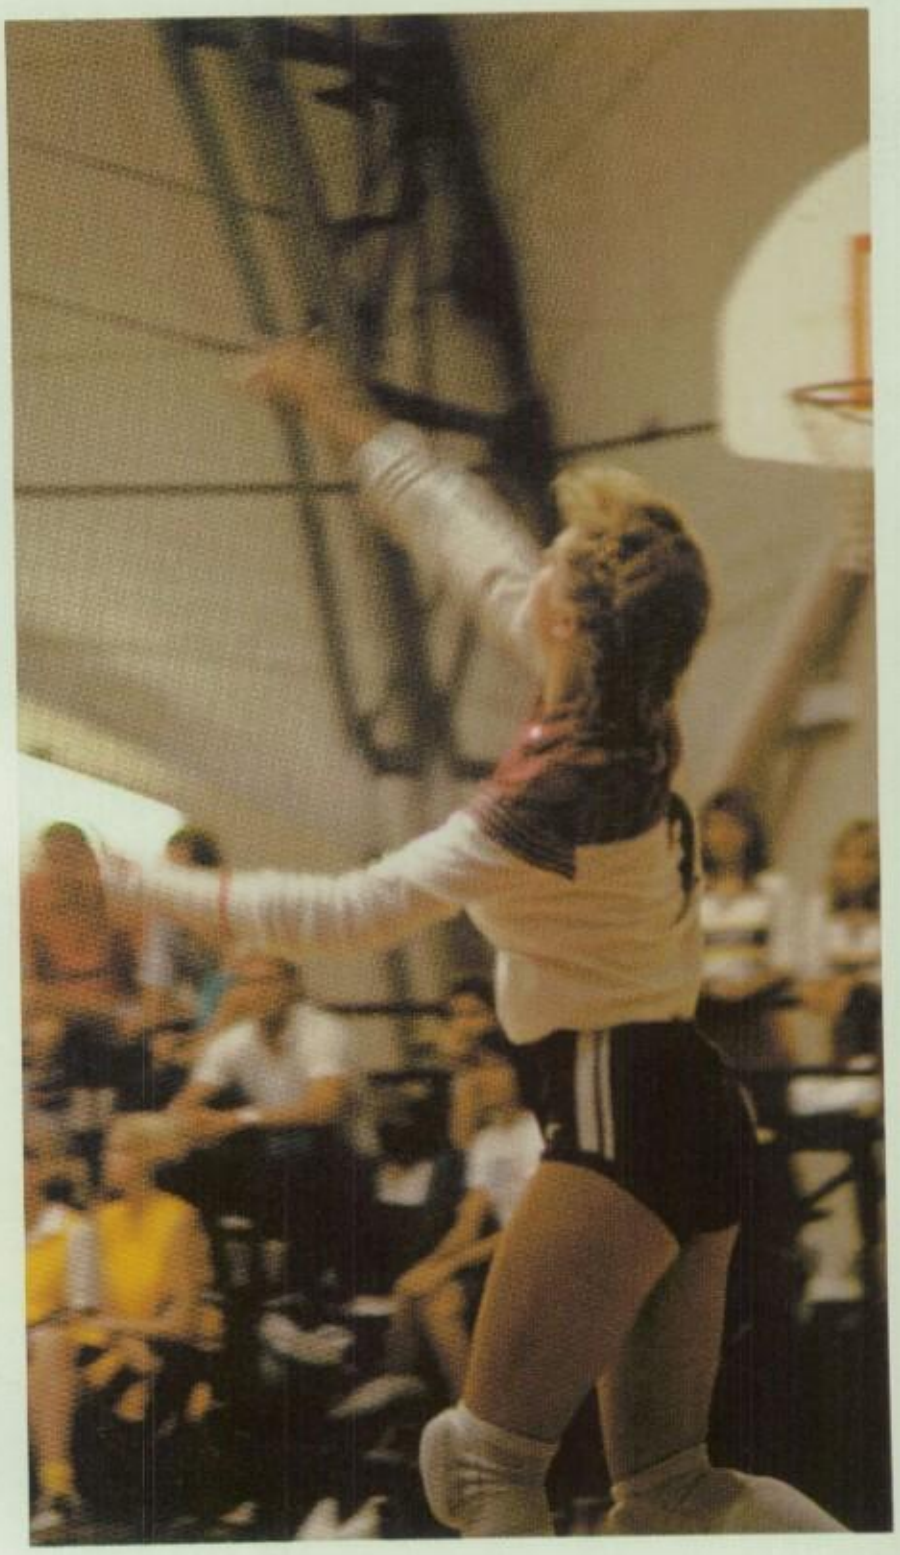


The princess' walked down the red carpet with their escorts. The Freshman princess was Chandrea Miller, *escorted by* Matt Holm. *The Sophomore princess was* Cris Lee, *escorted by* Jarrett Kurimay. *The Junior princess was* Suzy Erickson, *escorted by* Chris Rasmussen. *Our Senior princess' were:* Tammy Nelson, *escorted by* Bill Watson; *and* Shelly Gauntt, *escorted by* Steve Brazelton. *The 1985-86 Homecoming Queen was* Rachel Vasquez, *escorted by* Jeff Cameron.

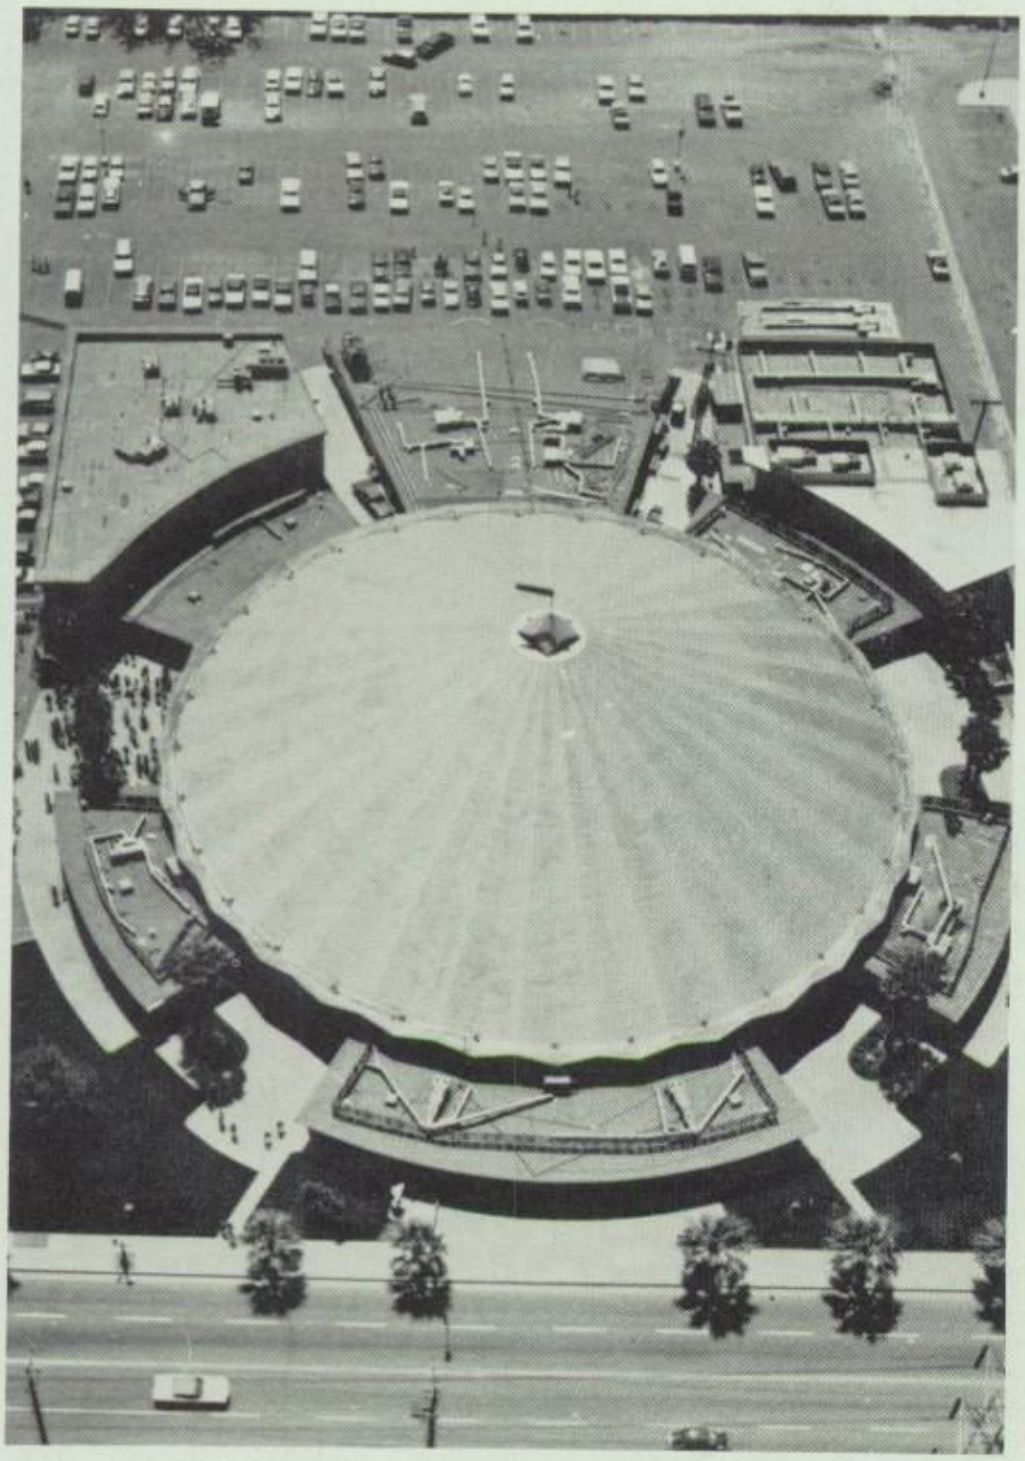
With a new queen in the stands, the "Flames" were ready for another hard-hitting half of football. The third quarter proved to be a defensive battle. Neither team could manage to field much of an offensive threat. The only score during the quarter came on a field goal by Ontario to make the score 18-6. Within minutes, under the command of quarterback Shawn Crawford, *we drove the ball down the field to set up our next score.* Crawford *found* Chad Lambie *open in the endzone for a "sure six" to make the score 18-12. The "Flames" were red hot, but still needed more. Ontario was determined to spoil the "Flames" homecoming. Minutes later, another six points were added by Ontario, making the score 24-12. Time was closing in on the "Flames", but they knew that they had fought a good fight and played to win. This time, on this homecoming night, the "Flames" came up short on the scoreboard. Even in defeat, the "Flames" played* "Together As One" *and won* "Our Own Victory."

10 YEARS LATER,

TAKE A LOOK AT US NOW,



TOGETHER AS ONE!



Through the past ten years our school has not only experienced changes but has grown, "Together As One". In the first year the Senior class graduated with 18 students, and in 1985 the size increased to 107 graduates. The staff had 19 members then and now it has over 60, which adds to our prosperous academics. Along with all the other changes, we decided to change our name to Southern California Christian High School in order to become the leader in our independent school system.

To add to a Decade of Excellence *we have flourished in sports: In 1983 our Varsity football team went all the way to Quarter finals; this year the Varsity football team finally beat Whittier Christian 34-22. For the past three years the wrestling team has been ranked third in C.I.F. In 1985 the Varsity baseball team went to C.I.F. finals, and in 1984 our girls Varsity Volleyball team brought home the second place championship trophy in the state.*

This year we have continued to make it a Decade of Excellence. *In the future, when we look back, we will be able to say the 1985-86 school year was an unforgettable experience. The special memories we have built together encourage us to go on sharing the love we have learned here, wherever we go. We'd like to say Happy Anniversary S.C.C. It couldn't have been better.*

MOMS

The MOMS Club *came into existence following a vision Sharon Carlson received from the Lord to create an organization that would serve as "helping hands" to both the students and faculty. BOOSTERS

The SCC Boosters *are a vital organization to the "Flames" sports program. The boosters operate the concession stand for all "Flames" sport activities. They also raise money to buy needed sports equipment during the year through various fund raisers. SCC Boosters pictured here are: (L to R)* Mr. Arno. Mr. Ludeman. Mr. Lambie. Mr. Schwartz. Mrs. Williamson. Mr. Parks. *and* Mr. Johnston.

P.T.F.

Our school receives new students each year. They come from different cities, states, and even different countries. This year, we received two students from South Africa, one which is Brendon Stead, *a member of the junior class.* Brendon *was born in Salesburg, Rhodesia, and has lived there most of his life. Some of his hobbies back home were: wind surfing, cycling, rugby, and girls of course. He played rugby and was very good at it too. When he was asked to play football, he was surprised at how different the game was compared to rugby. It's funny to think that when we talk to him, we have to realize that to him we have an accent. He likes his accent, as do the people around him.* Brendon *enjoyed the church of two hundred, that he attended in South Africa. He said that it was fun and easy to meet people.* Brendon *and his sister,* Nadine, *a senior, are a great addition to our school. We love them very much!*

What is it like being a twin? Junior twins, Jackie and Sharon Meyer, say that they enjoy it very much. They like having each other around to have fun with. However, there are some disadvantages to having an identical sister. People always mix their names up, much to their displeasure. They threaten to wear nametags. The twins also feel that they need to compete in certain areas of their lives. Though they are best friends now, they have not always been so close. In kindergarten, everyone in the class except Jackie were invited to a party held by Sharon's first love. She was finally invited, but sat in the corner the whole time playing with an ant farm.

Would twins like to have twins? Sharon says that she would love to have twins and thinks it would be fun. Jackie on the other hand would not like to have twins. Despite the problems they have had, they feel that they will be best friends forever!

Todd Ludeman *and* Chad Lambie *have played Varsity football since they were sophomores. Both* Todd *and* Chad *will be captains next year. Two of the most outstanding athletes in our class this year were Christiaan Lunney *and* Shawn Crawford. *Both were promoted onto* Varsity Football *because of their great playing ability. With* Shawn *leading our team as quarterback and* Christiaan *starting as an offensive and defensive tackle they both agree that there is a lot of pressure put on them to be exceptionally better than the rest. They plan to keep playing football throughout their high school years and hopefully go on to the University of Oklahoma and continue their football career. One of S.C.C.'s talented and special students this year is Alex Hanshaw. *This year* Alex *was involved with the school's band and ensemble. From time to time he participated in singing along with the ensemble, but his main talent lies in his love for drumming. He first began five years ago playing the drums for the choir at his church, and then moved on to play at several churches. Since then he has continued playing the instrument leading him into his second year in band and his first year in ensemble. Many people think he's a great drummer and admire his talent. Along with his talents from God, God has also supplied him with the ownership of A & B Detailing Company.* Alex *owes a lot to God and gives a lot back to Him by using his talents cheerfully and willingly.*

One very talented young lady from our school, Melissa Cowan, is very fortunate to appear on television weekly. She, as well as her entire family, are on channel 40 every Saturday morning at 8:30 A.M. on "Kids Praise The Lord." Her family first got involved by singing in churches and then they were asked to sing on T.V. Now they have been working in front of a camera for eight years. The program is a family based project in which each member participates in singing, puppetry and telling stories to children about the love of Jesus. Although it is aimed for a younger audience, the viewers' age range from toddlers to mature adults. The Cowans receive mail from all types of people, some complimenting the show and their talent, and others sharing their emotions and testamonies. The show is a great ministry for the children who watch it, as well as the Cowan family who participate in it and receive the many blessings from God, they deserve.

This year's Varsity volleyball team included four freshmen: Karla Cody, Julie Fletcher, Laura Hatcher, *and* Sheri Lucky. *They played a great season and quickly became state champs. They all felt priviledged to be on a winning Varsity team, and plan to play the rest of the their high school years. Off season,* Julie *and* Karla *play on club teams and after they graduate all of them plan to play in college. They also say that being a freshman on the team has it's advantages and disadvantages, but they were able to make it through the season. They all agreed* Ed Gover *was a great coach and helped them to play to their best ability.*

This year's vice president and freshman princess was Chandrea Miller. *She enjoyed being vice president because she could contribute part of herself to her own freshman classmates. She considered being vice president a great priviledge.*

"I could never express in words how honored I felt to be freshman princess," Chandrea *claims. "It was one of the most exciting things that could ever happen to a person." That was one experience she will never forget. She says that she owes all of this to Jesus Christ because He means a lot to her and her life.*

Football is certainly a game of surprises and this year was no exception. Many people thought that if we could win three games, that would be something, and I must admit, I did not hold out much hope for many more than that since our team was the youngest team that So. Cal had produced, not only in under classmen but in playing time also.

After winning our first three games, I was excited about the potential for our future. This was going to be an exciting football team, and it was.

This group of young men fought and scratched their way to a five and five record, and I was very proud of them. With every game they played, you could see them getting better and better. With all league stand-out Bob Breen *on the line and all league running back* Lou Simon *leading us, we were a force in the league to be reckoned with.*

The high point of this season had to be our beating Whittier Christian, *as school that we had never beaten before. Our team did a great job and proved that we can play with anybody in the league.*

I was very pleased with the way Shawn Crawford *performed running the offense. For a Sophomore, he ran the option with amazing poise. With all leaguer* Chad Lambie *in the defensive back field, he made many a running back wish he had run the other way.* Ed DeAvila, *our Sophomore tackle, was outstanding, and for his efforts made all league — only the third player to do that in our school.*

Yes, this was an exciting year and you, the parents and student body, helped make it so. I want to thank you for that. A special thank you to the Cheerleaders *and* Spirit leaders *for all of their hard work, and to the* stat girls *and* water girls *a special thank you for putting up with me on the sidelines. Let me leave you with this thought: Destiny is not a matter of chance; it is a matter of choice. It is not a thing to be waited for; it is a thing to be achieved. Next year, let's win it all.*

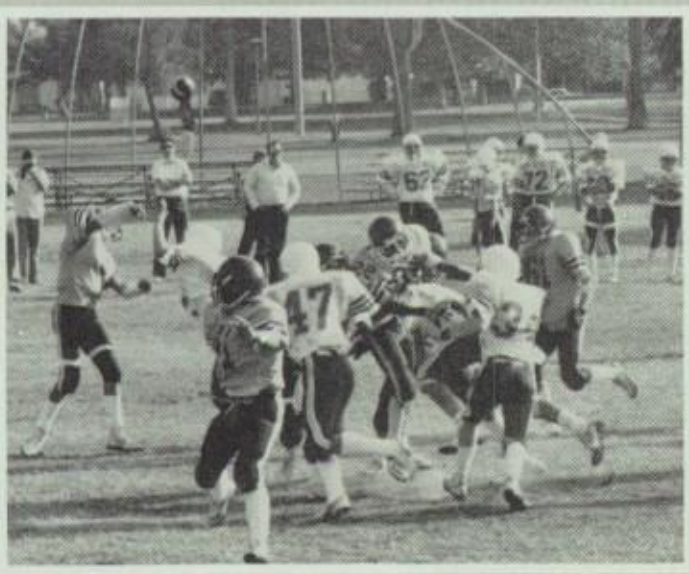
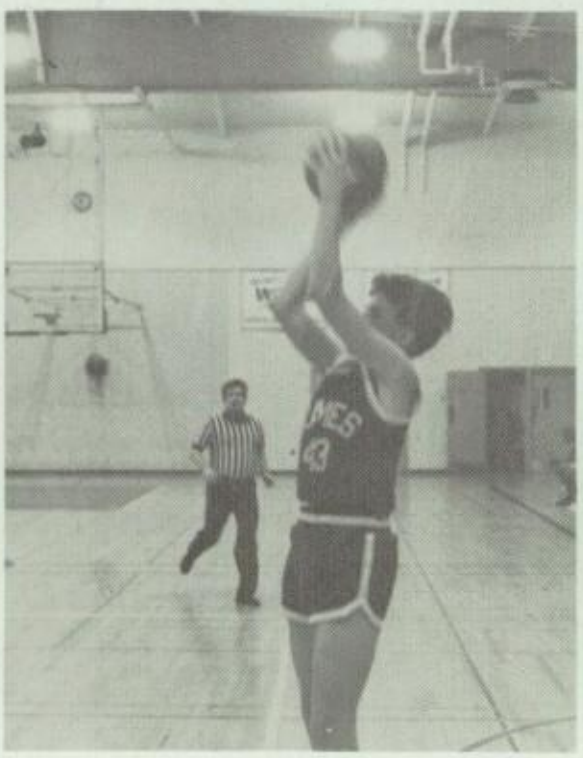
J.V. FOOTBALL

The 1985-86 junior varsity football season could best be summarized by the expression "learning experience". With very little previous football experience, the J.V. team won 4 of 10 games this season but could of easily won 7 or 8. Starting with over 30 athletes, the team played the final games with less than 20 guys, mostly due to a rash of unrelated injuries. These young men survived the circumstances however, and responded with enthusiasm and dedication. Most of all, these young men prepared themselves to play varsity ball in 1986, and that is what J.V. football is all about!



PURSUING EXCELLENCE



TO OUR RIVALS

The 1985-1986 Varsity Basketball season was a learning experience for many. New head coach, Mike Murphy *had a variety of hurdles to overcome which included a lack of numbers and some major injuries. Forward* Chad Lambie *had his season cut short due to an ankle injury.*

The season started with a tournament at Notre Dame, bringing home two consolation championships.

Row 1: Court Bickmore, David Nunez, Gilbert Barrow *Standing:* Chad Lambie, Todd Ludeman, Daren Lowman, Jeff Bickmore, JT Cameron, Bill Watson, Coach Murphy.

With an even win-loss record going into the Mid-season point, Orange Lutheran continued it's rivalry with us in an exciting game which the Lancers won in overtime. Even with the disappointment of this loss, Junior guard, Daren Lowman, *showed the finesse of a fine perimeter shooter by banging in twenty points from outside the paint.*

With the enthusiasm of Coach Murphy *and several returning underclassmen, the future of S.C.C.'s basketball program seems to be on an upswing.*

J.V. BASKETBALL

The Flames' Junior Varsity Basketball team started the season off with an exciting tournament debut at L.A. Cathedral. Court Bickmore *was named all-tournament along with tournament MVP,* Todd Ludeman. *In the championship game, defending champion Whittier Christian upended the Flames in a one-point loss.*

As the season progressed, Varsity injuries caused Court *and* Todd *to move up, diminishing the Flames' pre-season hopes for a league title.*

Under the direction of Coach Rick Plummer, *the Flames regrouped and saw* Matt Jennings *and* John Grubaugh *pick up the scoring deficit. As a transfer,* Brent Conn *came on strong to lead the team in rebounding. The Most Valuable Player for the season was awarded to* Danny Schwartz. Ed Zorn *and* Tom Munoz *were named as the team's most inspirational players.* Bob Davis *earned the Most Improved Player award for his hard work and hustle as the team's point guard. FROSH BASKETBALL STUDS!

The SCC Frosh team finished their season with a very respectable (9-9) record. They experienced a variety of opportunities to build Christian character by owning a (6-2) record at mid season, only to succumb games by a point or two. Jason Park and Ed Felton led the team with strong leadership and played with consistent support from Billy Hillstead, Shawn Tillitt, Kenny Cross, and Wade Bowe. It was quite evident that the talent and determination displayed this season will ensure exciting, winning basketball at SCC for several years to come.

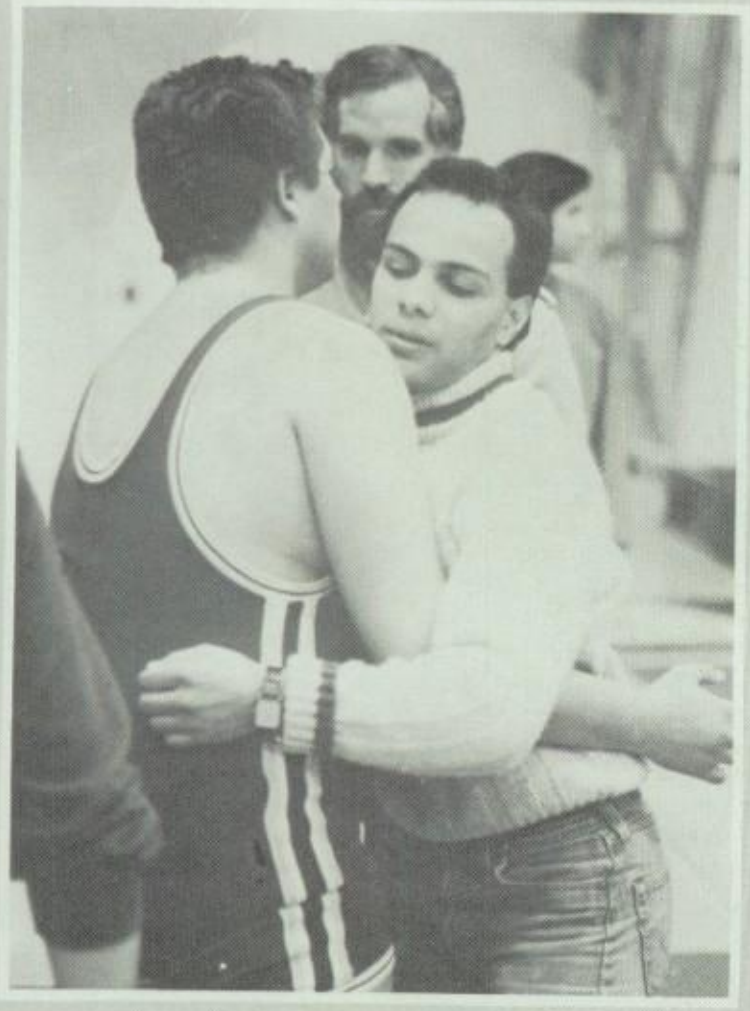
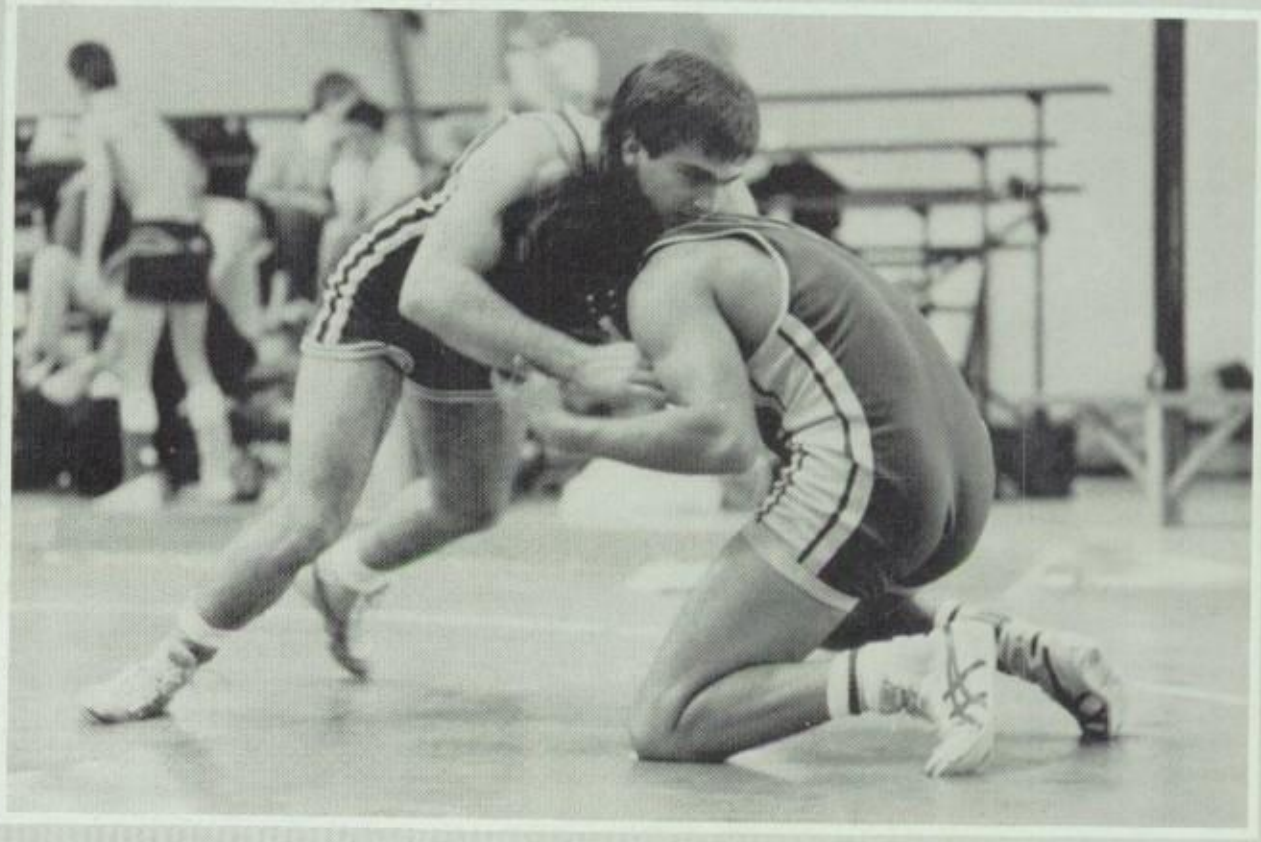
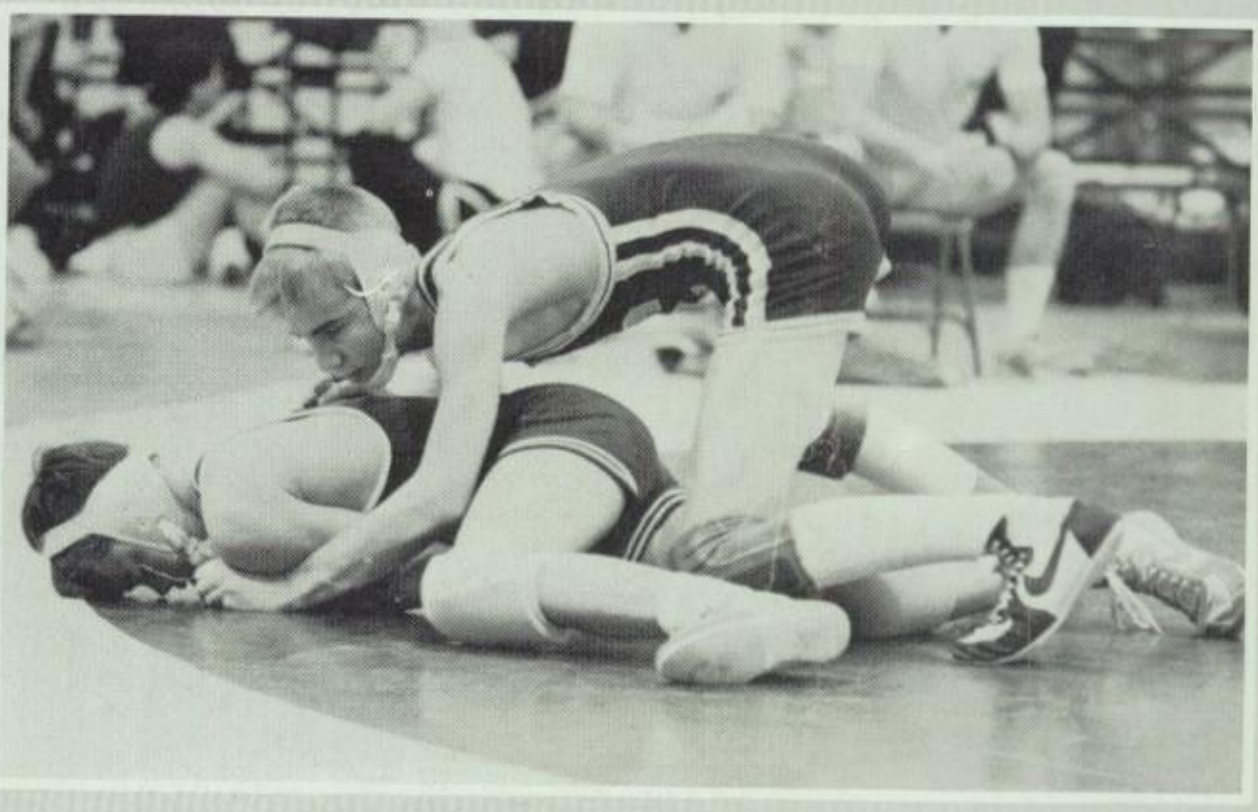
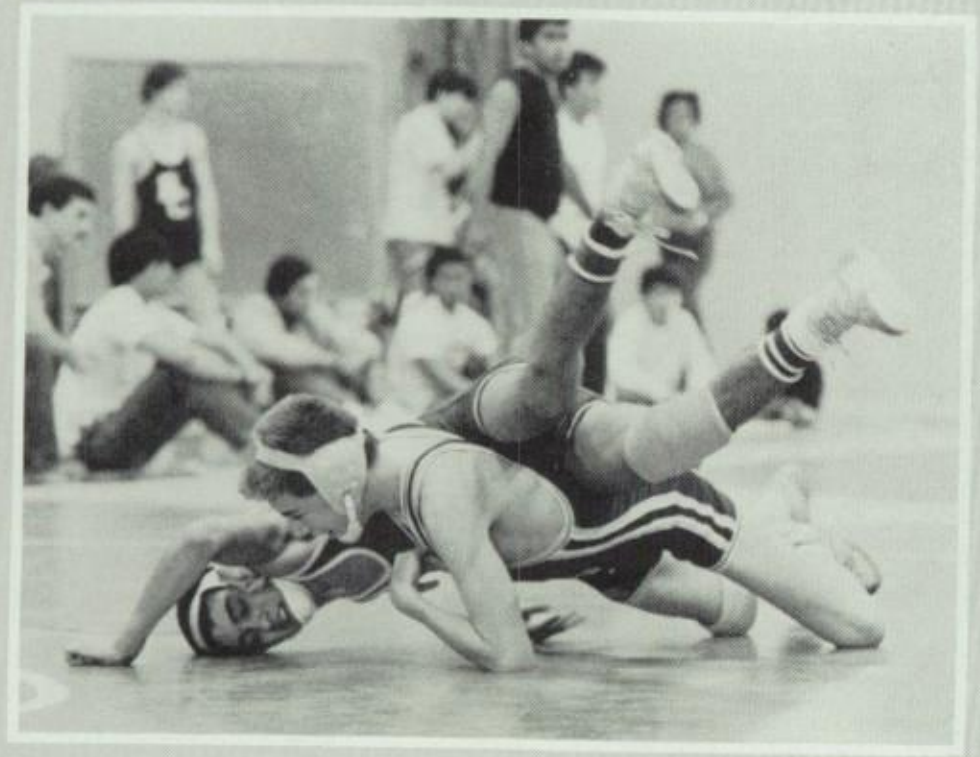
TO THE TOP









This year's wrestling program at Southern California Christian High School was great. They started off with the S.C.C.H.S. 5-way tournament, where they took 1st place as a team. The individual places were as follows:

98 - Bobby Rangel - 1st
105 - Brian Bourgault - 1st
126 - Steve Calleros - 1st
145 - Darrin Bumstead - 1st
165 - Chris Spicer - 1st

The next tournament that the wrestling team attended was the S.C.C.H.S. 8-way. The placings were as follows:

100 - Donnie George - 2nd
167 - Chris Spicer - 1st
177 - Greg Cadmes - 3rd

The season came to a close with league finals. This year we had 3 wrestlers qualify for C.I.F. and 1 alternate. These wrestlers were:

101 - Donnie George - 1st and also seated 2nd in C.I.F.
108 - Brian Bourgault - 2nd
122 - Steve Calleros - 3rd
177 - Greg Cadmes - 2nd

We would like to thank the Spiritleaders for their support at all of our matches. We also thank our scorekeepers and especially Coach Lou Brenes for excellent coaching.

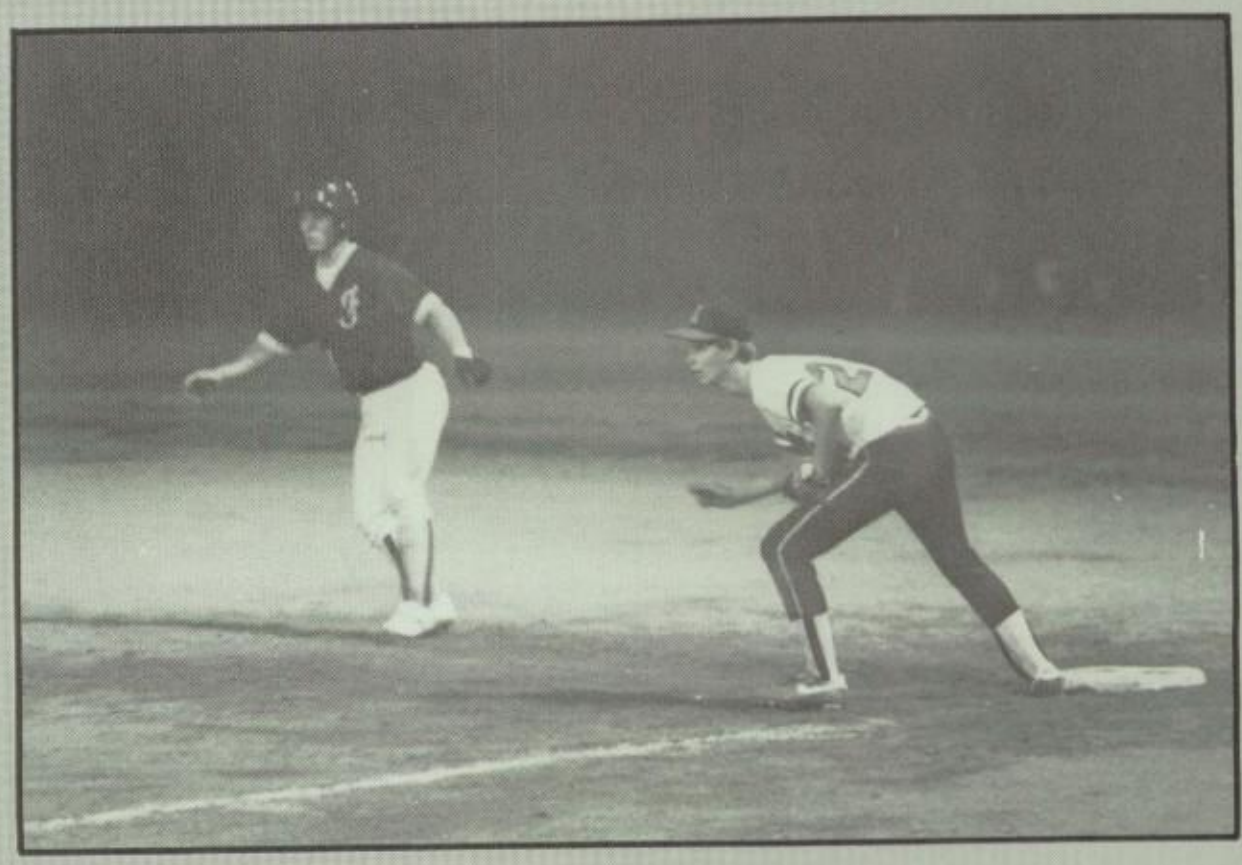
Each year has brought a new look and a new challenge to the team, but we have always had an experienced pitcher to anchor us. This year we had no Restivo or Rich to fire the ball and this meant our defense really had to work. This was a great group of young men and they met the challenge, just as the years before.

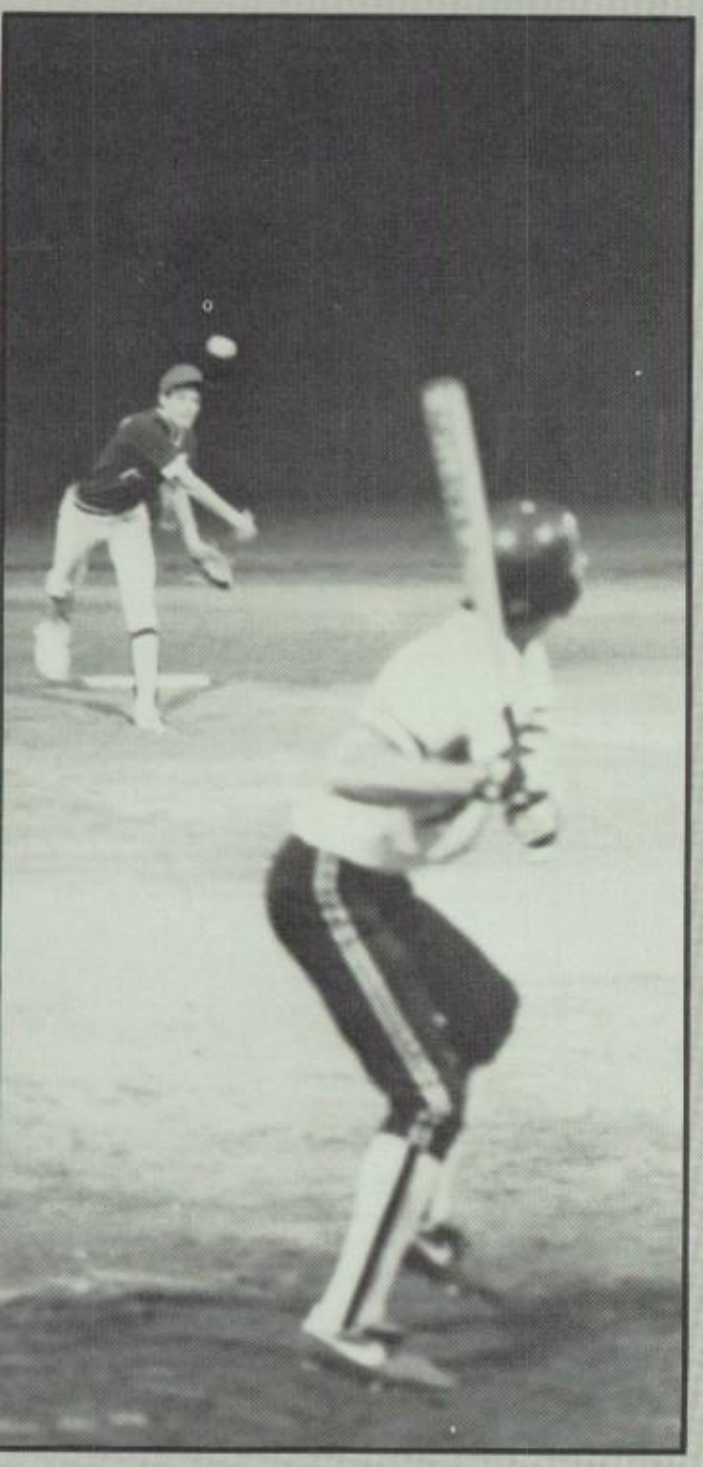
We had fine hitting this year in Lou Simon *and newcomers* Tom Bass *and Frosh* Jason Park, *as well as, all-leaguer* Chad Lambie.

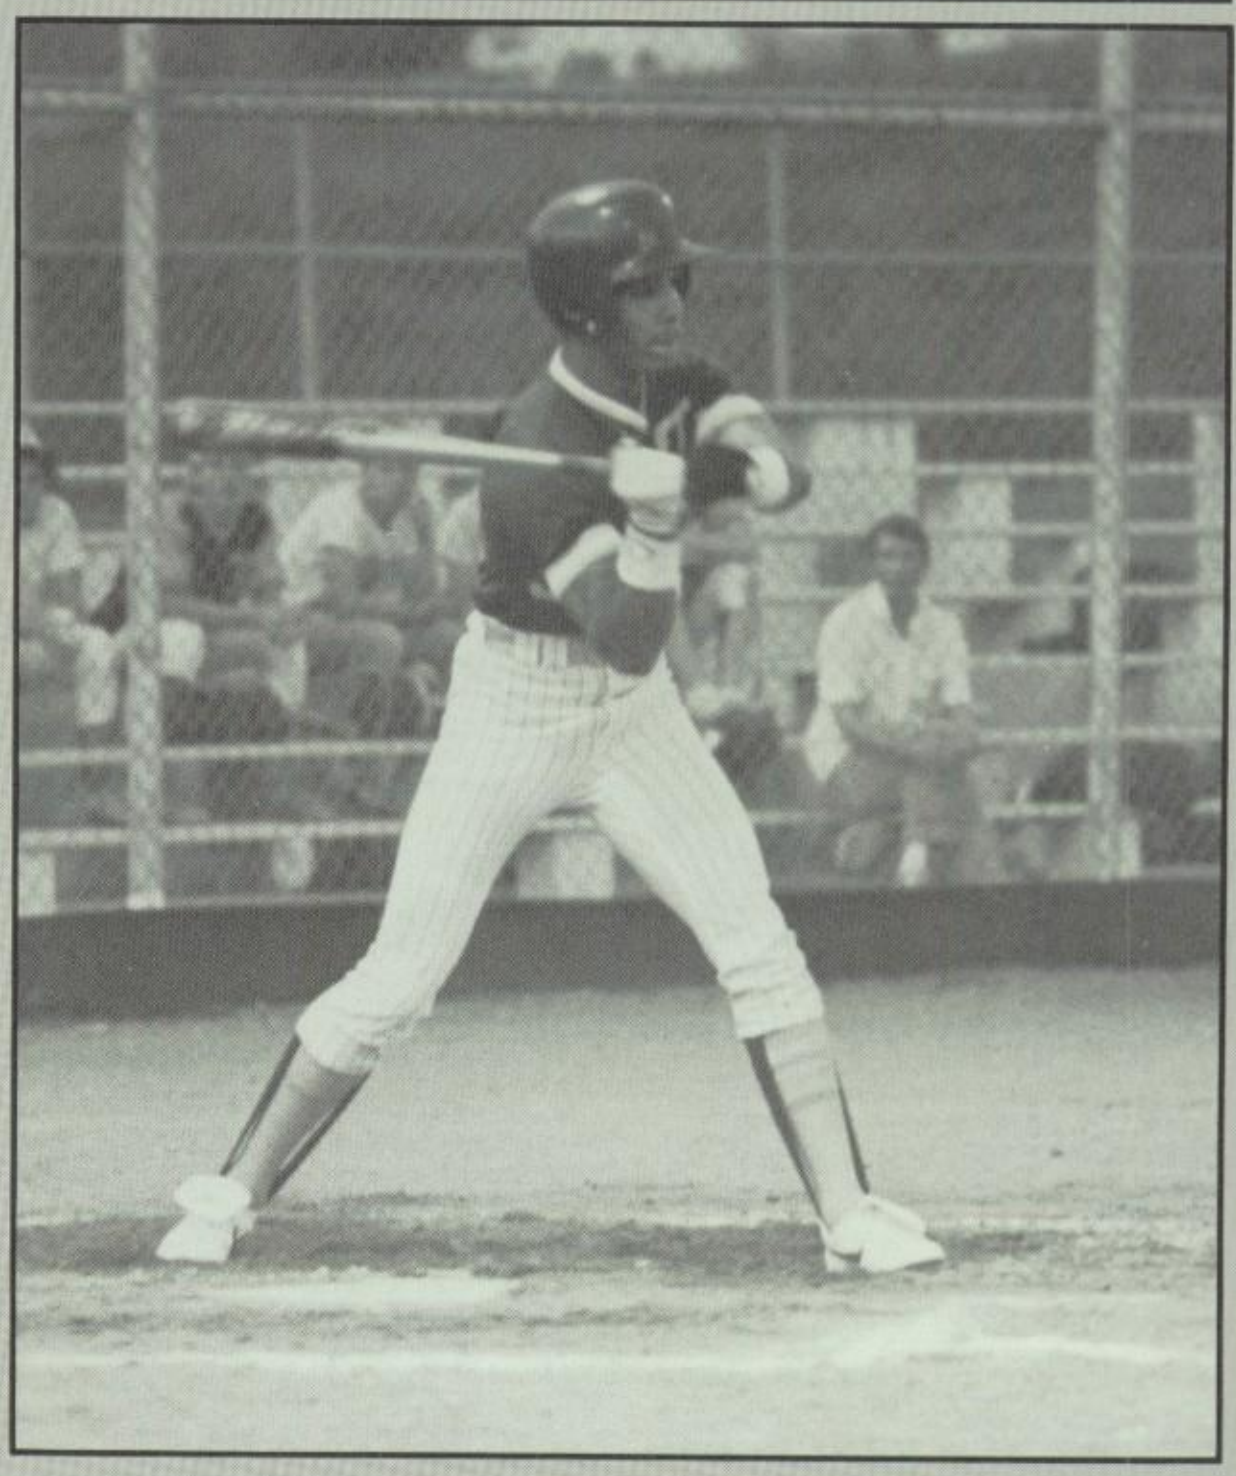
Our pitching staff consisted of a good all around hurler, Robby Jennings *and curve-baller* Jeff Bickmore. *Shortstop* Donnie Holtz *was an added star to this fine staff of pitchers.*

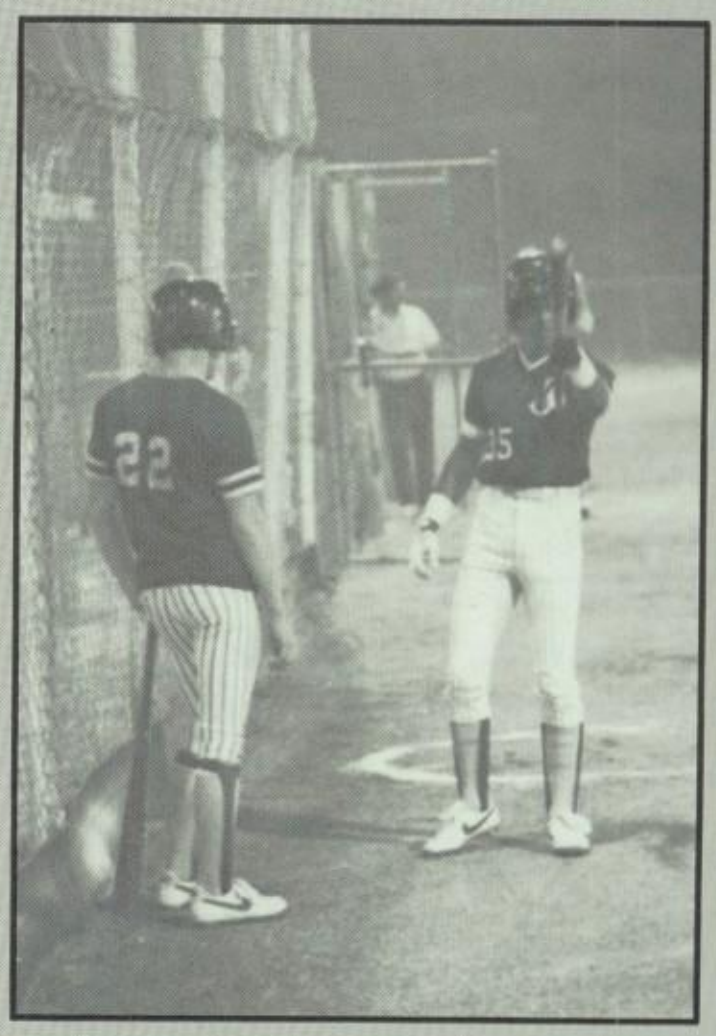
The league expected us to be down this year, but this team surprised a lot of league schools and skeptic players from years past.

This was a fine year with the added help of a great new assistant coach, Mike Murphy. *The entire team showed tremendous improvement.*

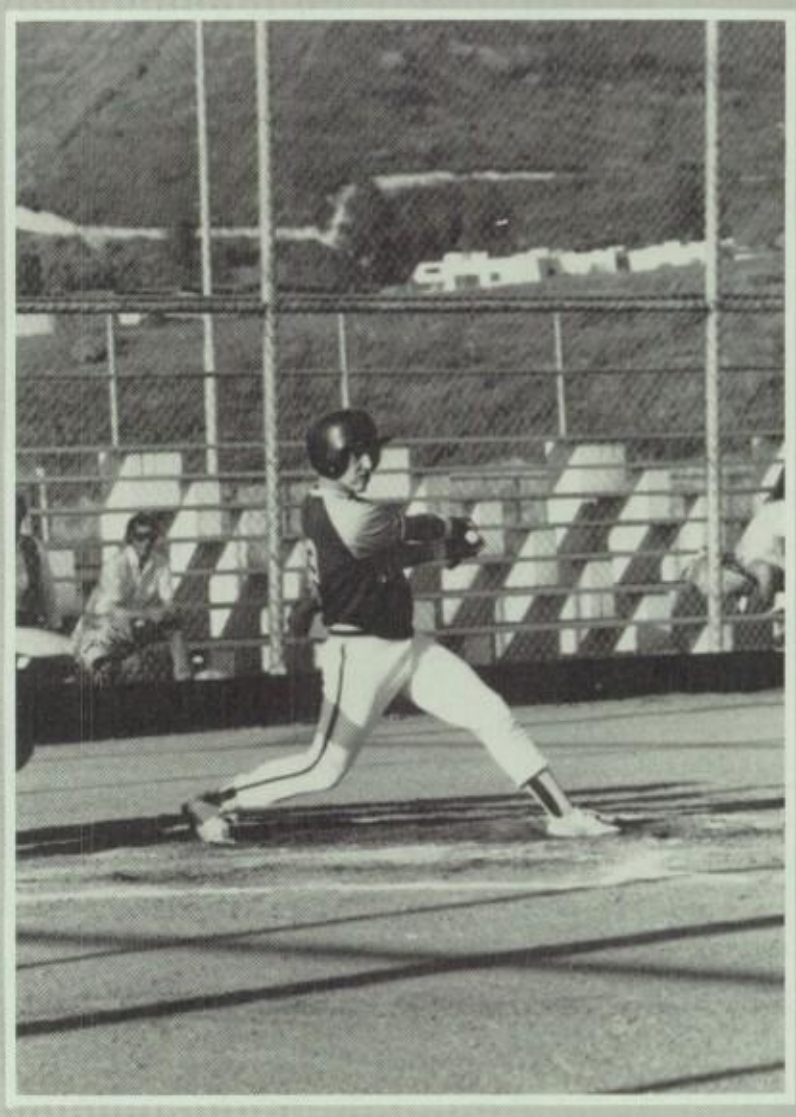


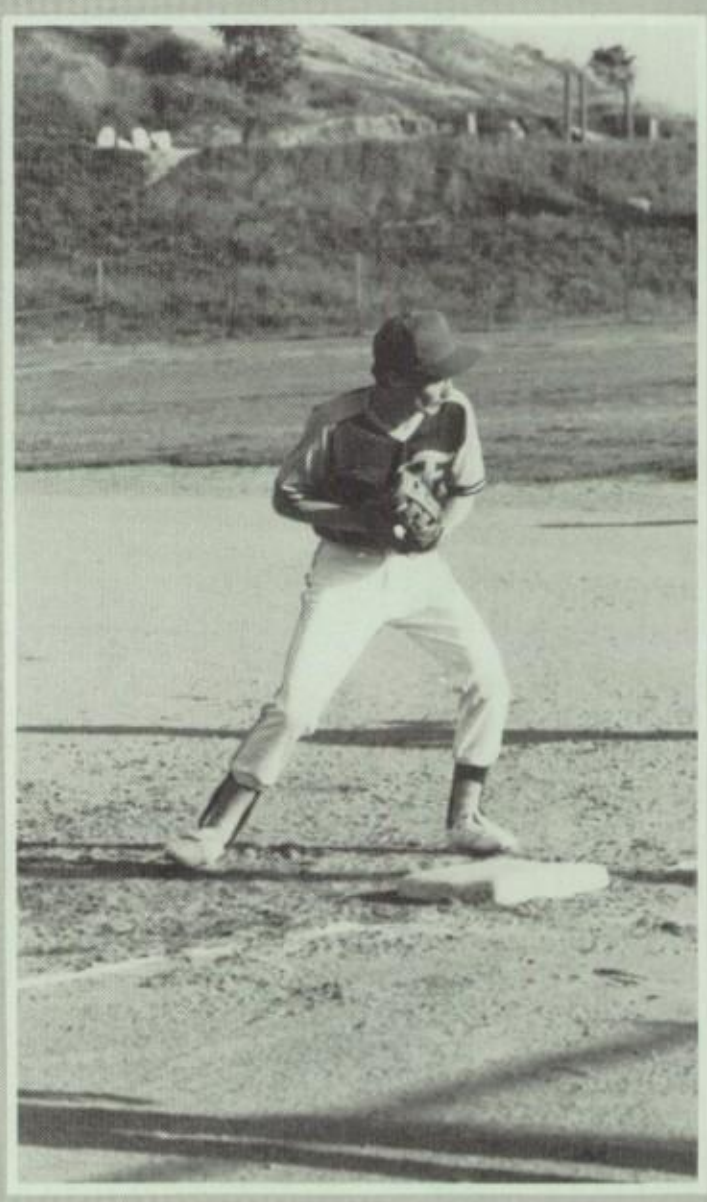






J.V. BASEBALL





Mental Toughness!! That was what Coach Twamley *continued to stress to the very talented Junior Varsity Baseball team throughout their lengthy preseason.*

Behind the pitching performances of Court Bickmore, Shawn Tillitt *and* Co-Captain Chris Hillstead, *the J.V. Baseball team suited up one of the strongest squads that S.C.C. has seen in recent years.*

Defensive efforts by catcher Larry Van Osten, Rick Maldonado *and freshman* Ed Felton *contributed to the team's performance and spectacular play.*

Top hitters for the year included Billy Hillstead, Danny Schwartz *and* Court Bickmore.

Considering the success of this year's underclassmen, the Varsity Baseball team should continue to be strong in the upcoming years.

Awesome! That describes the girls Varsity Volleyball team's season. Coach Ed Gover led his undefeated team (23-0) to capture the State Championship title. During the summer and season they worked together to set goals for themselves as a team. The first goal was CIF Championships and then on to the State Title. Through a lot of sweat, determination, hard work, and lots of yelling from Ed telling them to "get their (butts) down and go after the ball" they accomplished all their goals. Our volleyball year was a real blast,
we started out 1st and came out last.
Some would yell "spike" and watch us miss it,
others would stand there and have a fit.
We would jump and holler 'til the ball died,
but when it died, it was always on our side.
With our bumps and our sets, we'd watch the ball drop,
and you'd think that this season was just a big flop,
and when the referee would yell "that's 15,"
you could always be sure it was for the other team.
Something we realized was, if the ball is out or in,
if losing brings us together, then my friend, it's a win.
Although we'd lost every single game,
we had won them all the same.
For because of all this losing you see,
we have brought our team unity.
For now in all our hearts and minds,
are memories of all kinds,
of all the good times that we had.

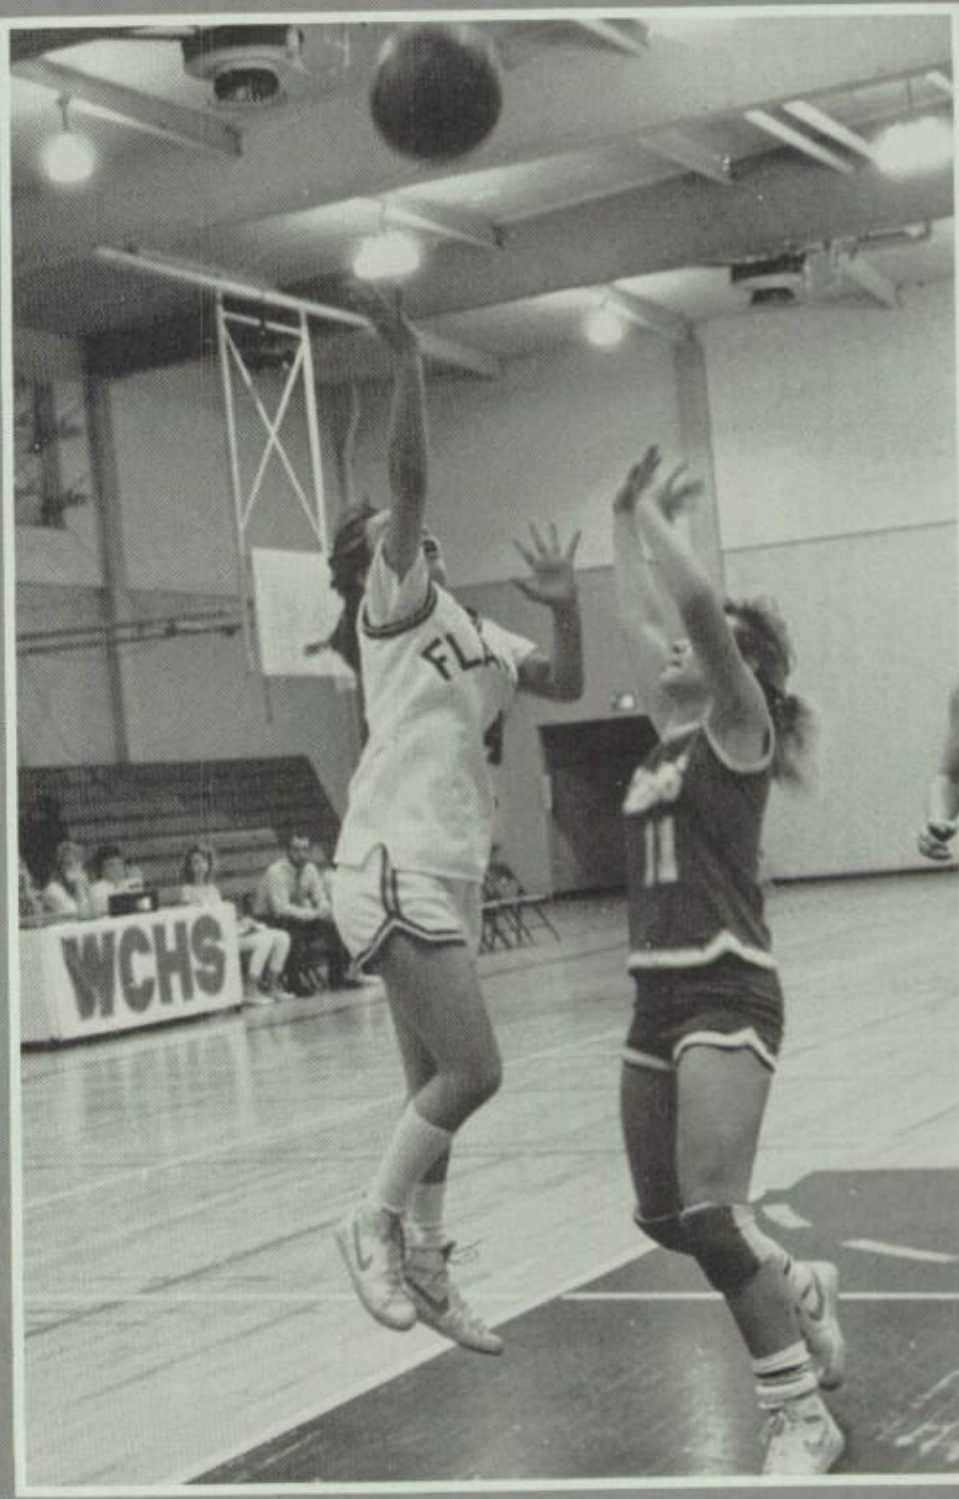
VARSITY GIRLS B-BALL

Statisticians: Mrs. Hackney & Heather Rayburn



With a total of six girls playing Varsity Girls Basketball Coach Haight had very little depth on his bench. That didn't matter, it only takes five to play the game and these young ladies did just that. Even though the girls, most times, gave up several inches to their opponents, these girls had the desire and ability to give it their best shot. The high point of the season was beating Capo Valley by 45 points. It was a great game! They played to their potential and the score showed it. Tara Cross averaged 25 points, 17 rebounds and 6 blocked shots per game to lead the team in all categories. Tara was chosen to the Olympic League all league team. Team members included Jo Lerma, Jamie Miller, Debbie Dunigan, Karen Dick, Julie Fletcher, and Tara Cross.

Small but mighty. These three words describe the J.V. Basketball team to a tee. Even though the seven young ladies were not very big on the court, they played each game with the drive and determination of giants. Even against the toughest of opponents, these girls fought hard to the end, never giving up. In most games, these girls were outsized by their opponents but that didn't wither the girls spirits. They went out and played their best!

The Student Council of 1985-86 is "committed to excellence". Through the year each program and activity that they have taken part in, has been successful. They are dedicated to making sure the students enjoy themselves and know how to live like Jesus. In November, when they went to ACSI camp for leaders, they learned that they are the "Elite of the Elite" and that they must keep a one on one fellowship with God in order to fulfill God's purpose in each of their lives. They spent their time eating, sleeping, praying, playing football, and at night the guys, taking on the form of the "mighty shower caps" came together to save damnes in distress. The last night, they all got together and shared their innermost feelings and learned to trust and forgive each other, in order to create the lasting friendships that they have.

This years student council proves that "Together As One" they can accomplish anything.

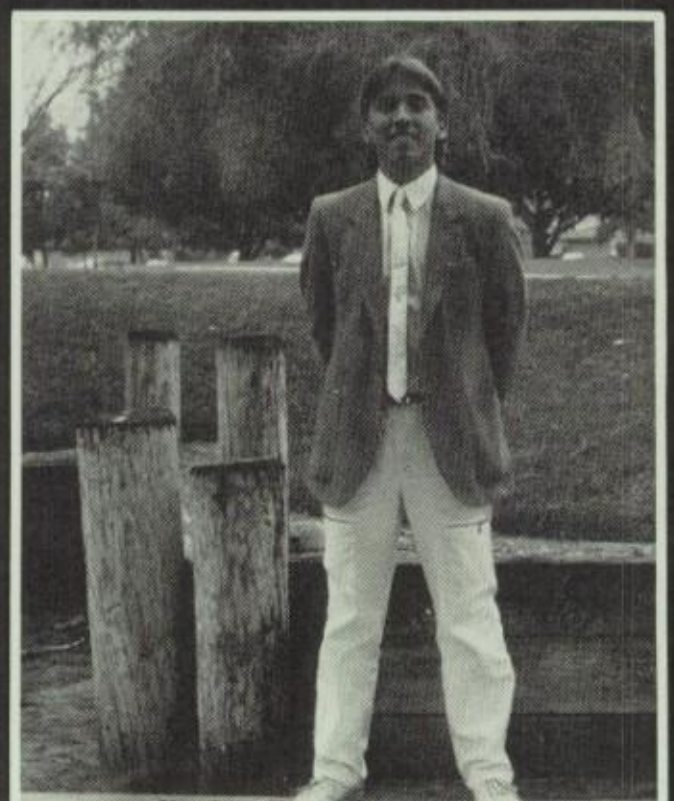
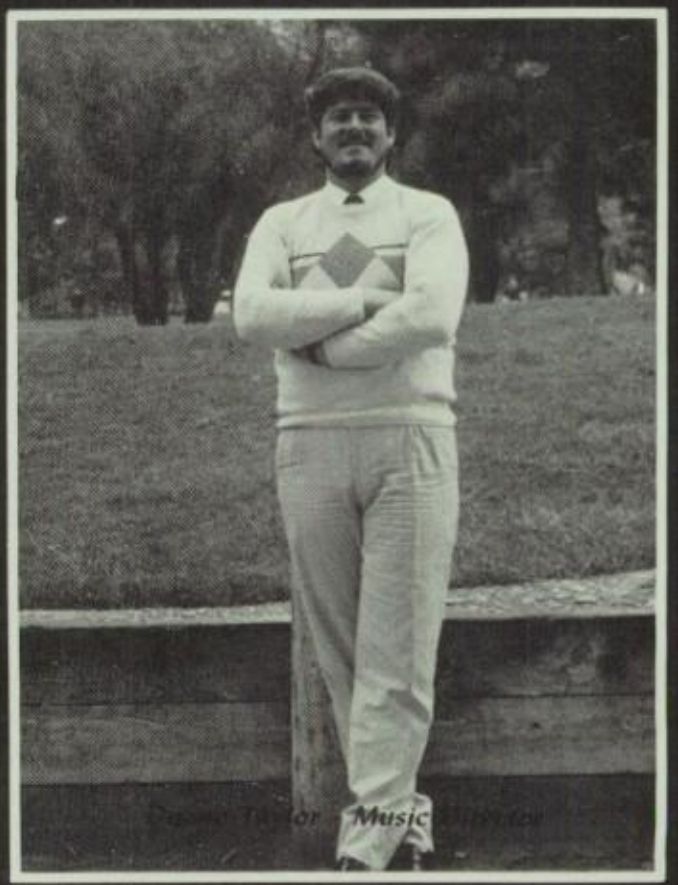
CHOIR/ENSEMBLE



Charles Gates - sound director



Duane Taylor - Music Director

This year's choir and ensemble had many talented and dedicated singers. Under the new direction of Duane Taylor, they have improved and excelled. Mr. Taylor came ot us from Azusa Pacific University.

It was an exciting and busy year for the groups. There were seminars and rehearsals to improve their skills. Then there were the performances: programs and chapels at SCCHS; concerts at schools and churches; competition and combined performances with other schools; all culminating in the NFCS competition at ORU in Tulsa.

Our music department did well in the national competition as well as blessing the community. They truely made a joyful noise unto the Lord!

MERRY MUSICIANS

This years band was really a blessing to S.C.C. They did an excellent job performing during halftime at the football games. They also willingly supported the girls volleyball team by playing and encouraging them at all their games. They showed their spirit by entertaining us at many of the school pep rallies. They proved their great abilities in the performing concerts. As they go to O.R.U. they will continue to bless others with their God given talents. With the special help and talented direction of Mr. Duane Taylor, they made known to us the beautiful music God has given to us.

◀ *I'm going deaf.*

Way to go Freshman.

Pep Rallies are a time when S.C.C.'s student body gets together to participate in unity, cheering and showing their spirit for their class, teams, school. Cheerleaders and Spiritleaders team up together to perform and help students participate in class activities.

SPIRIT WEEK

Don't worry. Oz will give you a brain.

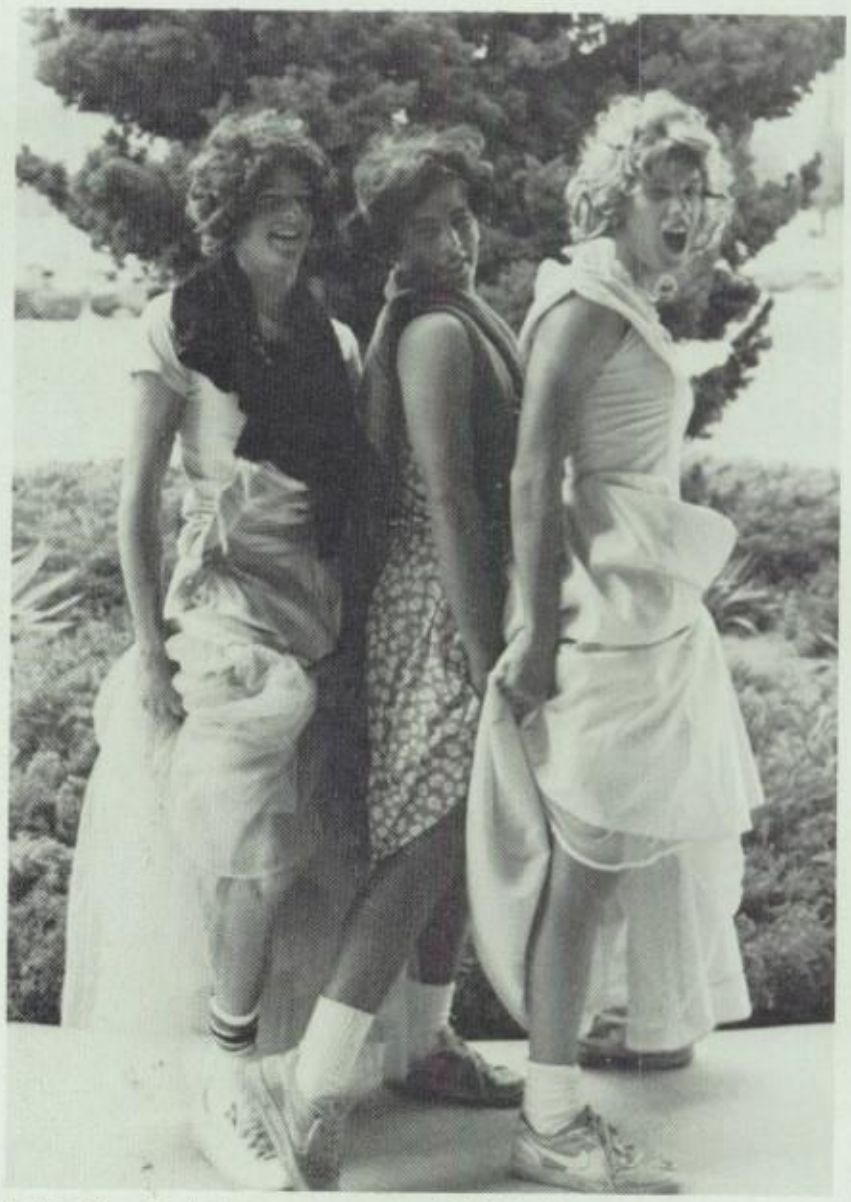
Peace, Love, and Bobby Sherman!

Come up and see me sometime, Big boy, Ya hear.

Will the real Peter Pan please step forward.

Going into the fifth week of the first quarter our student body caught the Spirit Bug for Spirit Week. On day one, they had to dig out the story books and find a character to dress up like. On day two, they had to find some clothes from the 20's to the 70's, probably in there parents closets. Day three, they were clad in there finest attire, for Royalty Day. On day four, they decked themselves out like nerds. The fifth day, future day, was the most outrageous. People dressed from old people to space people, some of them even looked like they came from Mars.

Magnum P.I. eat your heart out.



Is this the kind of woman you would bring home to your mother!?

Peace Baby. Peace.

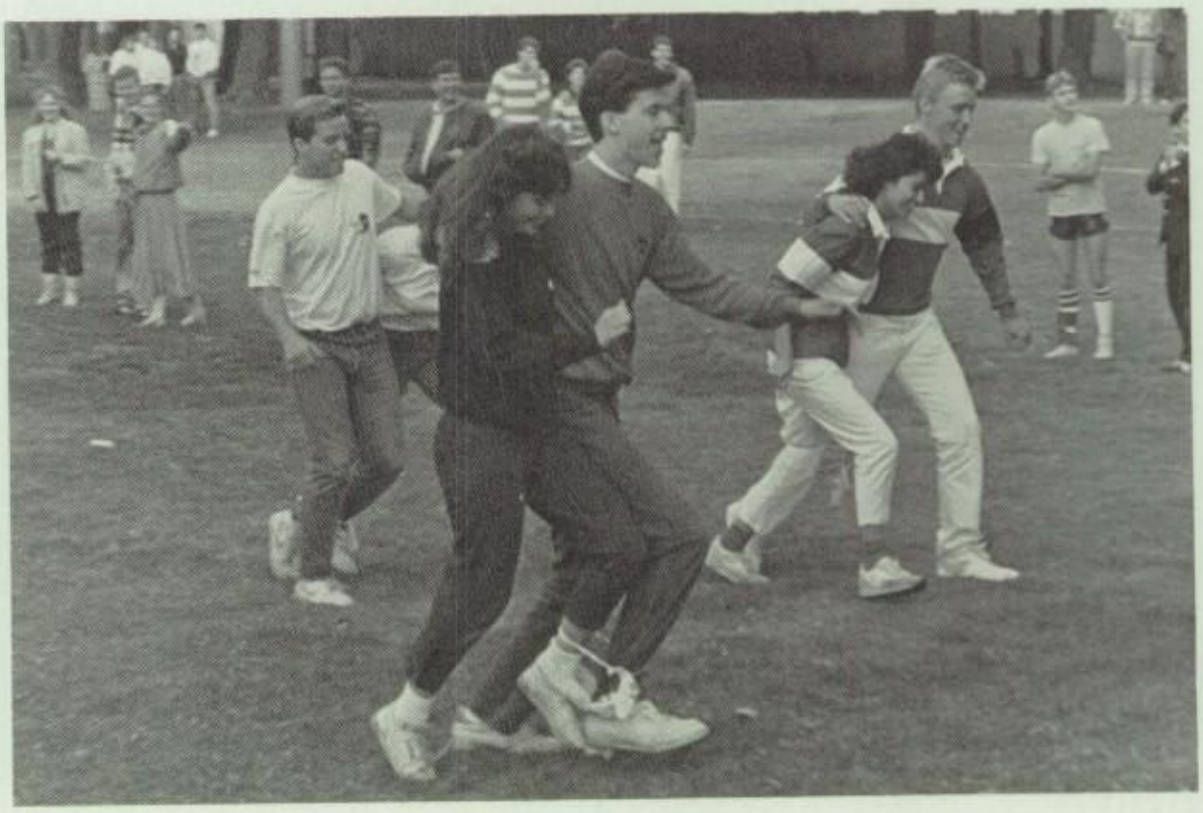
It's a Berry pretty day in StrawBerry land.

esterday. Today and Forever.

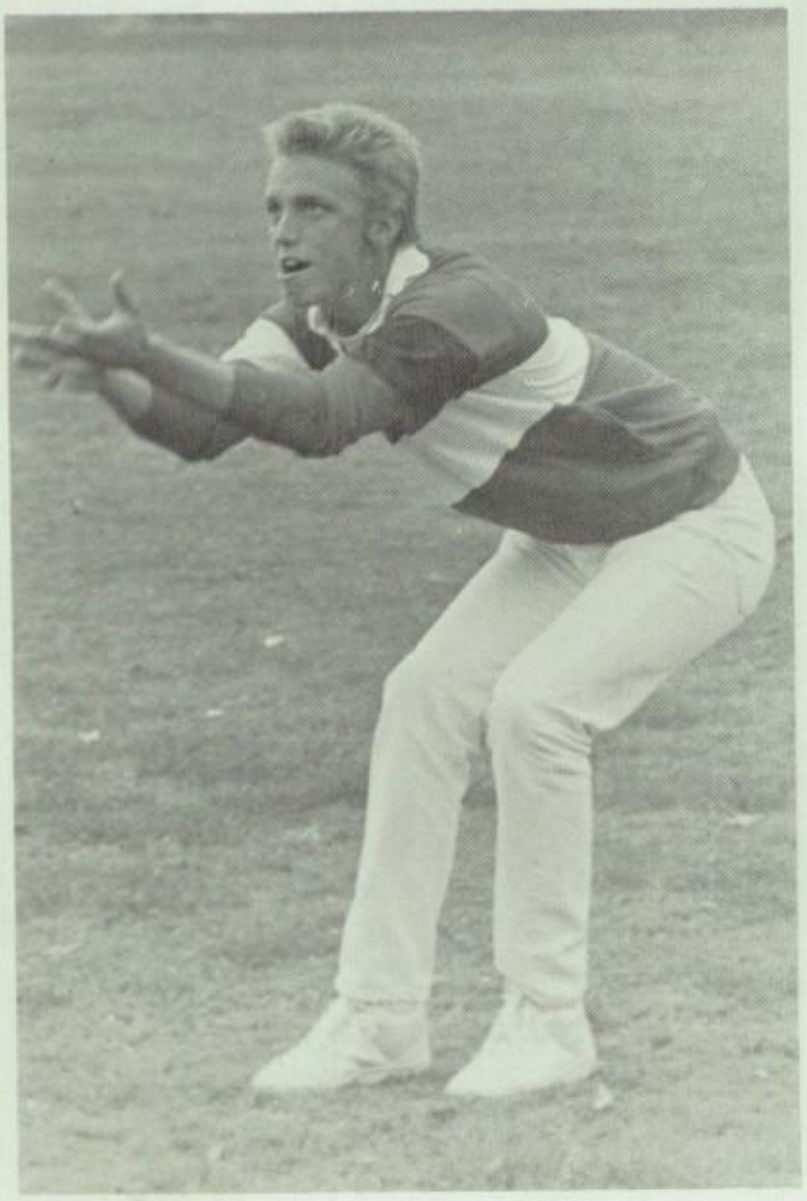
SADIE HAWKINS SPIRIT

On the 27th. of November the park behind S.C.C. was filled with students for the Sadie Hawkins picnic. The entertainment for the afternoon was a tug-o-war, an egg toss, and a three legged race. There also was a fake marriage between all the couples by "Pastor DeWoody". The afternoon was filled with excitement and the enjoyment of everyones company.

You can pull harder Laura.



Run Jeanine run.



I've got it. I've got it!

Smile Stacey.

Will you marry me?

Say cheese. . .

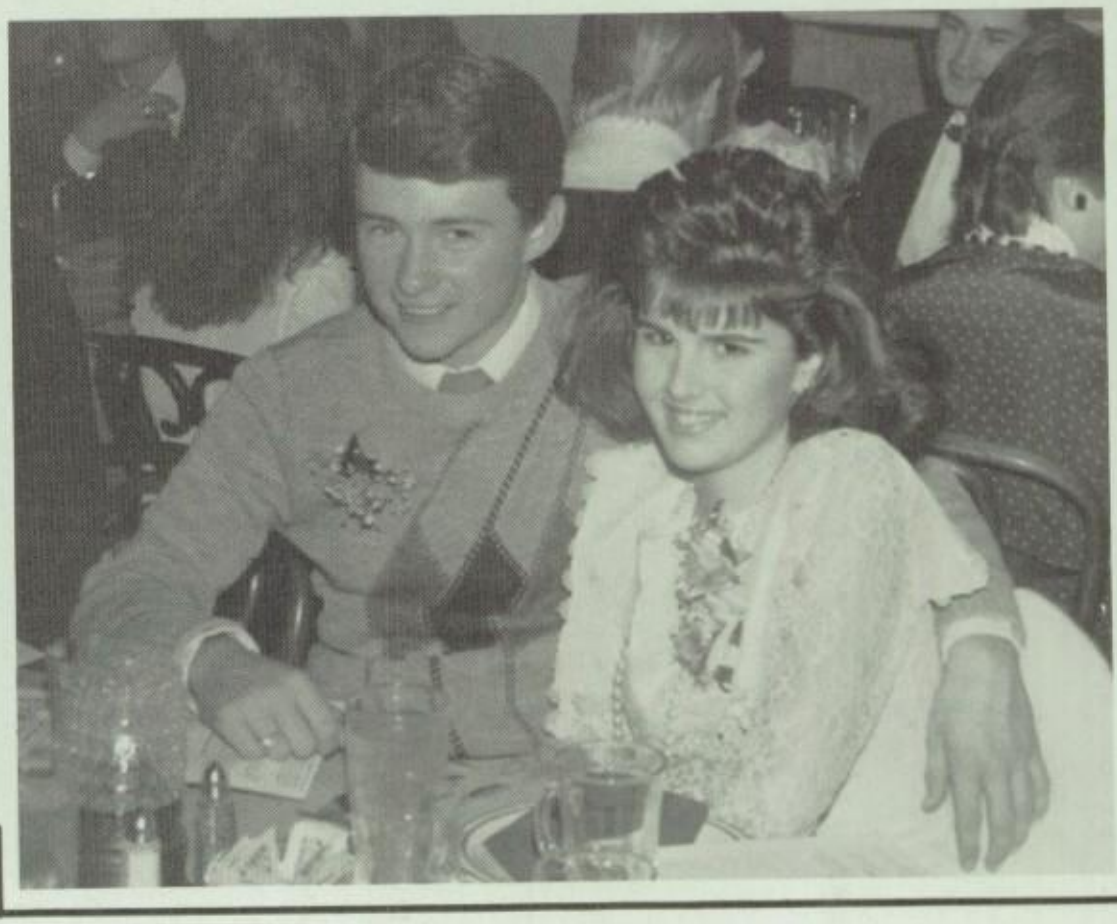
Cool dudes!

Oh Lord, why me?

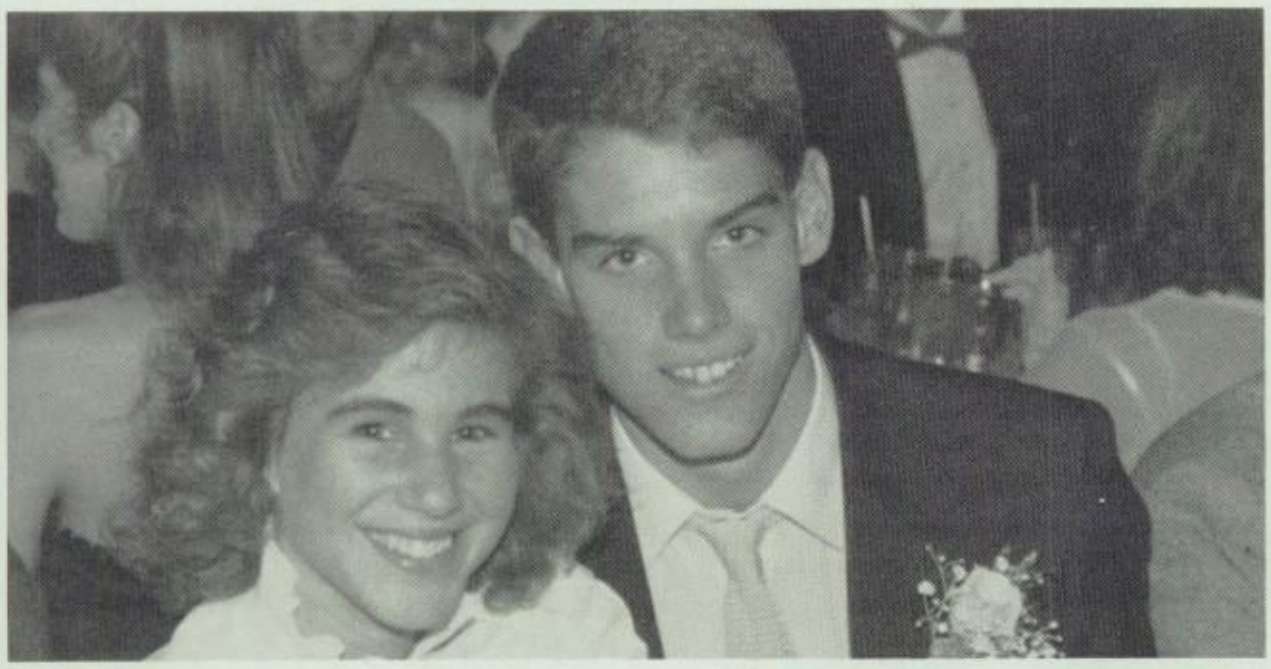
Kids at heart —

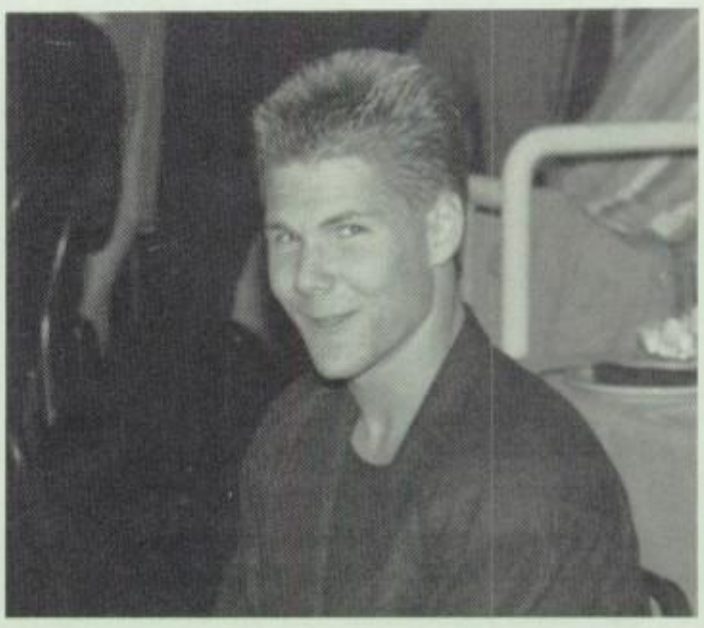
A NIGHT AT BAXTER'S

CHRISTMAS BANQUET

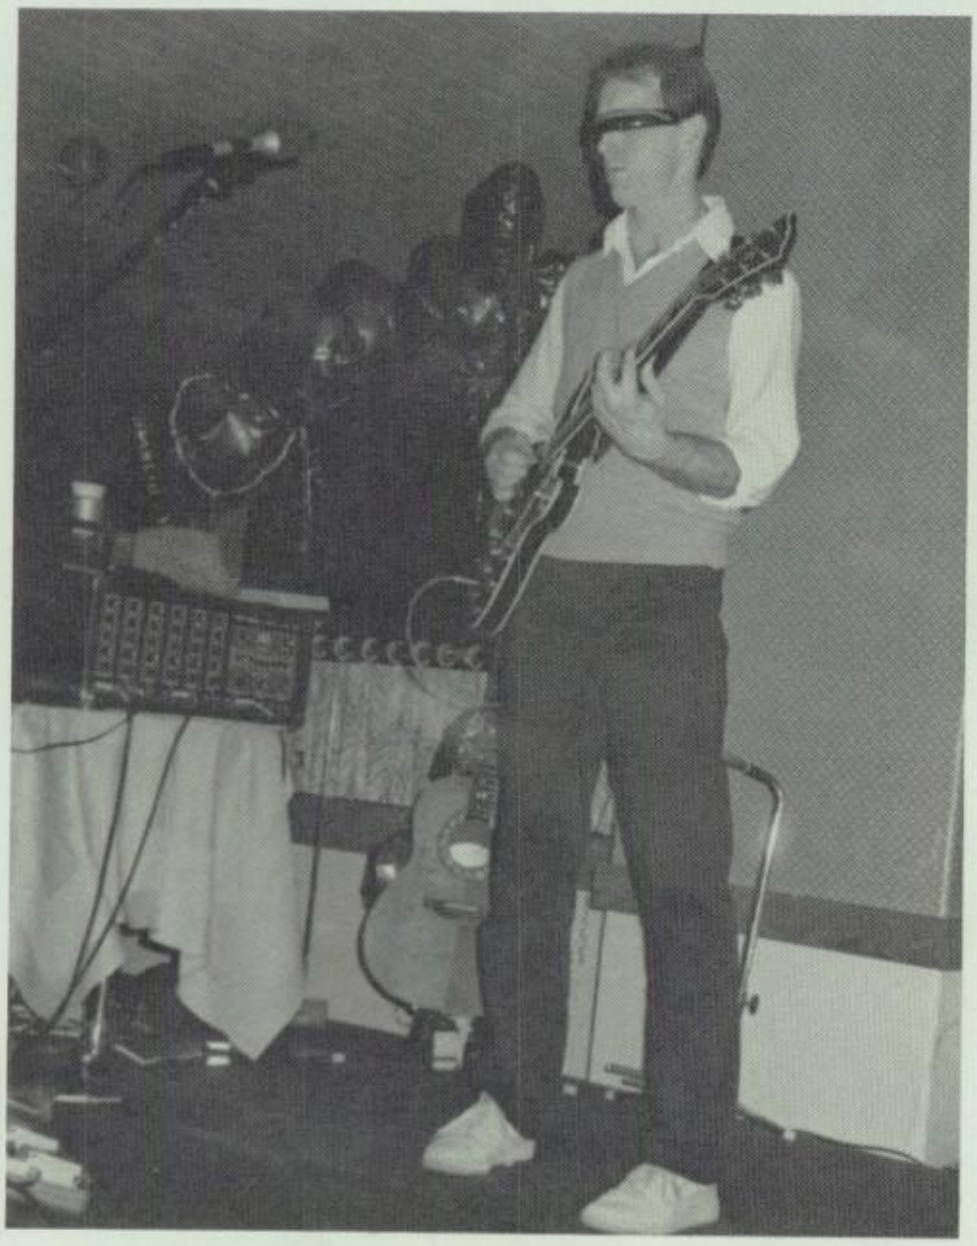


When the 1985 Christmas Banquet rolled around, it turned out to be a huge success. "The Greatest Gift" was put on by the Senior class. The banquet was held at Baxters Street Playhouse, where the atmosphere was full of Christmas spirit. Pictures were taken at 6:00 for which everyone looked fantastic. The dress was semi-formal. After a delicious dinner of stuffed chicken and all the fixings, the celebration began. The cast members put on an excellent show with singing, dancing and of Christian hospitality. Dessert was a treat: ice cream served in a flower pot and covered with powered chocolate. This was topped off with a candy cane planted in the middle. As the night came to a close, everyone still felt the joy and spirit of the greatest gift that happened that night.





VALENTINES



"A NIGHT TO REMEMBER": that was this year's theme for the 1986 Valentine's banquet, presented by the Sophomore class.

The Valentine's banquet was held in the Summer Tree Restaurant, inside the Emerald Hotel.

The evening's entertainment was provided by comedian/musician Mr. Paul Aldrich, who has appeared at the 'Improv' in Los Angeles and has performed at the 'Comedy Store' in Hollywood.

With the combination of excellent food and funny, refreshing entertainment, the 1986 Valentine's banquet was one of S.C.C.'s finest.

A very special congratulations to the Sophomore officers: President- Jarret Kurimay, Vice-President- Chris Lee, Secretary- Cathie Beal, and Treasurer- Dayna Meredith, for truly making this banquet a night to remember.

Cross gets hot; SC Christian gets title

JUNIOR SLAVE DAY

"Do I hear 10 dollars?" Coach Dewoody was the perfect auctioneer. The whole school took notice as the Juniors were auctioned off. Bystanders were sold as well as the volunteers. The fun began when the owners started planning for their slaves. The slaves had no idea what they were getting themselves into — funny costumes, singing, and pulling their masters around in wagons were only a few of the many things that were carried out. Slave day will not be forgotten for a long time.

so much for all the wonderful talks. You are so knowledgable. Thanks for not being too busy to listen. It's great you're an ASB pres. You've got a job on your hands but I know you can do it. God really has a plan and a man for you and I'm sure you'll get them both at just the right time. Keep close to God cause you are a great witness to all. I'm so glad part of my life. JOSTENS...the yearbook company

I just can't tell you how much I love you. I want to have a slumber party and invite you.

This yearbook is the product of many long, tedious hours both in class and out of class (mostly out). I would especially like to thank Buffy Carlson and Chris Rasmussen for being so diligent in performing their duties as editor and assistant editor. I would also like to thank the entire Ablaze staff for their efforts in making this book a success.

Suzy—
I don't know where to start because there's so much to say. Thank you for being who you are. I really appreciate the little pep talk you gave me after the elections. You told me to keep trying and I did. Well, look at me now, I'm a spirit-leader... Amazing, huh! You have been a great encouragement to me at all times and I just can't thank you enough. I'm so glad that you made ASB President. You deserved it and I'm so happy for you. I'll miss you over the summer but I'm sure you'll keep busy with your job. Senior next year! I can't believe it — it came so quick. 3 years have already gone by! Next year will be the ultimate blast— you had better go to O.R.D. I can't wait until September but I'm going to have a blast during the summer.

Suzy,
We should go into business as professional chapel instructors. Hey! We did a great job. I'm excited for you in the Miss Fountain Valley Pageant this summer. Please keep me informed.
I really admire your for going to Washington this year. That took bravery, money, & a true leadership ability. You've been such an example to me this entire year. I've often thought of how you would handle a certain situation & then I would do that instead. (Did you understand that?) But anyway, I'm proud of you for being the responsibility & you'll be a beautiful princess.
Keep God close,
& your spiritual
never wavering.

Dear Suzy—

Hi Babe, it's been so fun having you as a friend, you're so sweet. Remember middle school Chapel, you, Cris, me and [redacted] J.M. — Mc.D's and the Emerald Hotel — that georgeous guy — that was fun. You're my inspiration, I love you so much! See ya next year Mrs. ASB Prez. —

Suzy,

You are one of my favorite people at SC! Always so happy and so much fun to be around! And also very warm to new people! You always made me feel very comfortable like I could talk to you whenever I needed to. Thanks for that support because it was hard being the new kid (at first!) Remember to call me up when Washington comes along I really want to go! Next year - can't wait. Student Council Camp! We're going to have a blast!

Love,
Jennifer

Suzy -

Where do I start? We've been through so much together. But God has been faithful and has worked things out. I want to thank you for your friendship - it means alot to me. All of our phone conversations and parking lot rapping sessions encouraged me alot! You have been a great help to me this year. You were always there to keep me from getting down, prod me when I need it and applaud me a 'job well done'. Despite the differences we have occassionally, I still appreciate our friendship. I'm glad your going to be ASB Pres. next year. You will do a great job. This year you did a great job with all the things we had to do. Next year I hope we can become closer - since we will not have the frustrations of a business-like relationship. I am thankful for the hard times as well as the good. We've grown closer because of it. Susan, you are really special to me and I hope we have a great year next year. → developing a neat kind of friendship. You're so fun and you really enjoy life. I admire that in you. You've helped me not be so serious. Thanks for all the fun times this year - 50's party, fall S.C. trip (shower caps), ice skating (my 1st and only ticket, car rallies, and homecoming! (That was so fun!) It was 1st and last time to be an escort. (sob, sob $). Next year we'll be SENIORS! Can you believe it! Please keep in touch this → #670-8447 (in case you forget) Have a great summer - stay out of trouble! and bless you!

Love, (Friends Always).

Suzy,

P.S. Our new number is 66666-2301 → Refuse the mark. - But it's just until July.

Where can I start? Well, first I wanna say I love you so much! We haven't talked this year as much as last year, but I think it's because it was a hard (working) year both in school & in work & we're been so busy. But this summer and next year we'll make up for it. Remember seeing Rue Mc Clanahan and that wolf movie with Michael J. Fox. Well - Rue Mc was good! Oh! and then Halloween. Suzy - you have the funnest parties. You and your creative, but crazy & wild ideas. And we can't forget your birthday. You make the cutest little clown or should I say "singing clown." Speaking of singing - you have the best voice. You sang very well in chapel & I even remember the song. Suzy - I'm so glad we're friends. You're an inspiration and joy to my life. You have a lot of talent & God's gonna use you in a very special way. We have to do things in the summer - like last summer but even more - And I mean Have To! Well - I'm runnin' out of room so I gotta go. I love you & will never ever forget you. Love ya lots-n-lots. xo xo Pam M. xoxo

I'll come visit you at the Frozen Cup !!!

P.S. - I still have to go to Frogg's
